Welcome to Harewood

Welcome to Harewood Speed Hillclimb and a weekend packed with the best in speed hillclimbing.

On Saturday the 2nd round of the BARC Harewood Speed Hillclimb Championship runs alongside practice for the UK's premier championships, the Motorsport UK British Hillclimb Championship presented by Avon Tyres and the Motorsport UK BHC Cup presented by Footman James which take place on Sunday.

Saturday's action also has a healthy class of Ferraris which will provide some close racing on the track as well as an impressive display in the paddock.

On Sunday the Ferraris recommence battle after the Motorsport UK British Hillclimb Championship presented by Avon Tyres, and will provide exciting competition by the country's top hillclimbers.

The two run-offs for British Hillclimb Championship points will form the highlights of Sunday's competition. The lead for the Championship is currently shared by Scott Moran and Alex Summers, closely followed by Wallace Menzies after scoring well at the opening rounds at Prescott and Craigantlet, Northern Ireland. Other top contenders include Trevor Willis and new to class L, Matt Ryder who have both had good results.

The Motorsport UK BHC Cup presented by Footman James follows the British series around the UK. BARC Yorkshire Centre Treasurer Steven Darley is jointly leading with Robert Marwood after the first round at Prescott. Expect stirring action too within the individual classes. If the weather is good a number of class records, and perhaps even the hill record, could fall.

It all adds up to an exciting and competitive weekend's motorsport – we hope you enjoy it!

Championships

BARC Harewood Speed Hillclimb Championship

Main championship

Marking is within classes, based on the improvement against the bogey time. The bogey times are the current class record at the start of each meeting with 20 seconds added, with the exception of classes 1A, 1C, 2A, 2B, 2D, 6A, 6B and 6C which are calculated. Championship marks are gained at the rate of 0.01 points for each 0.01 seconds by which the driver beats the bogey time of his or her class. A maximum of 21 marks can be gained at any meeting.

Any competitor who does not beat the bogey time will gain no marks for that meeting. Marks in six of the nine rounds will count towards the championship result (Note: The 8 May, 4 June and 3 July meetings are not rounds of the Harewood Speed Hillclimb Championship).

Fastest time of the day

At each meeting marks will be awarded to the championship competitors who have recorded the ten fastest times of the day in the class runs. Marks will be awarded on the scale of 10 for the fastest competitor down to 1 mark for the tenth.
