Marshals - NEW -

Marshals are particularly requested to arrive early on Saturday. We have arranged for extended practice to enable you to enjoy a full days motor sport and those marshals signed on by 9.30 am on Saturday will be entitled to additional subsistence. (Cash or Marshals stamps)

Scrutineering - NEW -

For all cars, scrutineering will be carried out at the paddock position allocated for each competitors car. All competitors should unload their vehicles and park the car in the appropriate allocated paddock position BEFORE signing on. After signing on competitors will return to their car and await scrutineering. The scrutineers will be given lists of cars and will visit the paddock positions of those cars. Any competitor who is not at his car when the scrutineer visits risks forfeiting any third practice run to which he may otherwise be entitled.

Helmets -NEW -

Helmets will be worn by all competitors at all times on the course. The paddock exit marshals will not allow any competitor out onto the course unless his helmet is fully secured.

Practice

All competitors will be allowed two practice runs.
Practice will be in class order.

- New -

There will be an additional Practice run on Saturday between 10.00 a.m. and 11.30 a.m. available to all competitors. These Practice runs will be granted to the first 80 competitors to sign on. The chief paddock marshal will allocate the eligible competitors to the additional practice batches on a first come first served basis at signing on. Additional third Practice runs will finish at 11.30 a.m. whether or not all 80 eligible competitors have been able to take those runs.

Starting Cars at the Start

The Start Line Marshals are provided to control and direct the traffic in the Start Area. They are not provided to start competitors' cars. It is the competitors' responsibility to supply the personnel and equipment necessary to start their vehicle.

Tender Vehicles must travel to the Start via the Trailer Park and the road through the hillside Car Park. They may return to the Paddock via the Course.

Competitors in classes E to K will receive a Paddock Window Pass.. This allows a competitor to have one vehicle in the paddock during the course of the meeting and this vehicle must display the Paddock Window Pass. IT IS NOT IN ADDITION TO YOUR TRAILOR. the trailer must be left outside the paddock in the trailer park.

Display it on your tender vehicle window or access on Sunday to the paddock will not be allowed.

Drivers are reminded that the Paddock is a non-competitive area and cars must be conducted at walking pace when ENTERING and when moving about the Paddock. Please give pedestrians due consideration and have regard for their safety. Failure to comply may result in exclusion from the Meeting.

YOU HAVE BEEN WARNED!!!!
