WELCOME

We would like to welcome all new and regular competitors to the Harewood Speed Hillclimb. We hope you have a safe, happy and successful day's motorsport. Please help us to help you and everyone else enjoy it too. The BARC Yorkshire committee is constantly striving to improve the facilities and running of events at Harewood; if you have any constructive criticism or **suggestions** as to how we can achieve this, any of the club officers would welcome hearing from you.

OFFICIALS

Please arrive as early as possible so that practice can commence on time. Signing-on, briefing and radio distribution will take place in the Clubhouse. **A Car Pass is enclosed to allow you through the paddock. Please display this on your windscreen throughout the event.** Control will call full **radio checks** as soon as the course is manned and after lunch; to save time and confusion, please wait for these rather than instigating your own when you arrive on post.

Please observe the **one-way traffic system**, following the same route as the competitors at all times apart from short-cutting behind the barns if appropriate. To avoid congestion in the paddock, if you come up to the top at lunch-time please park on the grass alongside the braking straight.

At the **end of the meeting** please stack all your equipment (except radios - deliver to race control) at the trackside; it would be helpful if someone could remain on post until the equipment van arrives, to help load it.

COMPETITORS

Motor Homes and caravans must be parked either in the trailer park or adjacent to the hedge in the area west of the paddock (access to this area is via the Public Entrance, **NOT THROUGH THE Paddock**); in no circumstances may they be parked on the edge of the hill in the public enclosure.

Paddock vehicle passes are enclosed, as usual, on the basis of one for each competing car, permitting one vehicle or trailer in addition to the competing car to be parked in the paddock during the meeting. **This pass must be displayed prominently on the vehicle to which it relates at all times.**

All other vehicles/trailers should be left in the trailer park. Any apparently unauthorised vehicle parked in the paddock may be removed by the organisers without notice and by whatever means necessary. If it is found to be connected to a competitor then, reluctantly, the C of C will take disciplinary action against that competitor. Please play fair and set an example to everyone else.

Please note that you must produce at **signing-on** your club membership card as well as your MSA competition licence and the entrant's licence if appropriate.

Competition numbers can be purchased at signing-on; you are reminded that driving your car on the public highway displaying these contravenes MSA regulations. You are also reminded that, having had your entry accepted, you are prohibited by MSA regulations from abandoning this event to compete in another.

All cars will undergo **scrutineering** in their allocated paddock parking bay in batches as outlined in the timetable.

To comply with Health & Safety legislation, the testing of vehicles on the entrance road or any part of the public enclosures is prohibited. Practice starts, tyre warming, excessive braking and/or weaving are all forbidden on the road between the paddock and the startline. Similarly, please bear in mind that the paddock is a non-competitive area and cars must be driven at **walking pace** when entering and moving about in it. Please give

pedestrians due consideration and have regard for their safety.

Because of the restricted nature of the paddock, the riding of paddock bikes, two, three or four wheel, motor or pedal powered, is strictly prohibited.

If you wish, you may take a **tender vehicle** down to the start with your competition car, in which case please park it on the grass outside the start enclosure and return it to the paddock via the hillside car park road. Please bear in mind that motor vehicles must not be driven on any part of the Harewood Hill premises by anyone who is not licensed and insured to do so; also that the start area is a designated part of the course and, as such, persons under the age of 16 may not enter it.

All competitors must **walk the course** prior to the start of practice.

WASTE OIL

There is a Waste Oil receptacle adjacent to the toilet block. Anyone found depositing waste oil anywhere else will be charged with the removal and cleaning.

PLEASE NOTE: ALL TIMES PUBLISHED DURING THE COURSE OF THE DAY ARE FOR INFORMATION ONLY.

IMPORTANT

There are red lights half way between Chippy's and Country Corner and also on Quarry Straight. In areas where corner cutting has taken place there are demarcation posts, which are not penalty markers - but which may cause damage to your vehicle if you hit them.

Please park centrally on your numbered position in the paddock

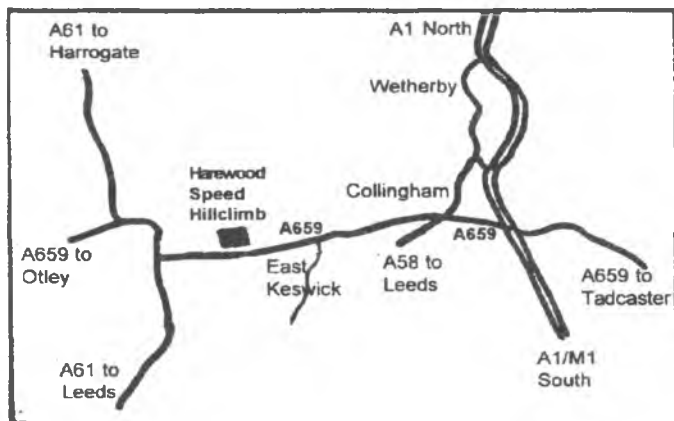

The Harewood Hillclimb course is a private road. Only persons who have obtained specific permission from the organisers are permitted to drive on the course. Failure to comply may result in being asked to leave the site.

COMPETITORS

The paddock will be marked out in the usual way for this meeting. PLEASE park all vehicles neatly and ensure that access is available for late arrivals, and for the EMERGENCY SERVICES vehicles - it may be YOU who requires assistance! Please DO NOT use the slip road to park or stop on as access is required all through the day.

PARKING NOTE TO MARSHALS:

ON POST PLEASE PARK IN THE USUAL PLACES.

How to get to Harewood

Anyone travelling from the south or midlands up the M1. After the M62 junction continue on the M1 (do not take the road into Leeds). This link road runs straight into the A1 and about 4 miles after joining the A1, take the A659 to Otley. Follow this road (signed for Harewood House), through Collingham. You will come to a long straight road - Harewood Hillclimb is on the right hand side - look out for the large sign.
