

"THE SCARBOROUGH HILL CLIMB"

Sunday 14th. October 1962

R.A.C. Permit No. R/879

FINAL INSTRUCTIONS

GENERAL

The second jointly promoted "Scarborough Hill Climb" will take place on Sunday 14th. October 1962 commencing at 1.30p.m. There will be practice from 2.30p.m. to 5.00p.m. on Saturday afternoon 13th. October and again on Sunday morning 14th. Oct. from 10.00a.m. onwards.

Last year the event proved to be exceptionally popular with both Competitors and Officials alike and, as a result, the response to the issue of the regulations for the 1962 event has been almost overwhelming. Originally a limit of 120 entries was set, but as some 67 people have indicated that they will be able to practice on Saturday, we have raised the limit and accepted a total of 147 entries. From our experience last year we feel that we shall be able to get through practice and timed runs for all these people so long as the majority of those competitors who have said they can practice on Saturday do, in fact, do so. If any other competitor is able to do his practice runs on Saturday afternoon, please do come along, no prior notification is required.

The Programme on Sunday is being organised on the basis of almost continuous action. Sufficient officials have been laid on for all jobs to enable shifts and reliefs to be operated and it is not anticipated that practice will finish much before the due starting time for the event.

LIST OF COMPETITORS

Below are set out all the accepted entries in the main Hill Climb in Class Order. Competitors who have entered the Jaguar Classes additionally, or in the case of one competitor (No.147) exclusively, are shown at the end of the list in order in their Classes for the competition for the J.D.C. Awards.

#### ORDER OF RUNNING

Competitors in the Jaguar Drivers Club Competition i.e. those listed on the "J" Classes at the top of page (4) may opt to make both their timed runs at the start of the meeting at 1.30p.m., or they may run in their class order as shown above. If they run at the start of the meeting their times will be taken for the main competition during their "J" Class runs and will be interpolated in the results

when the remainder of their class in the main event make their runs. J.D.C. Members please declare whether you wish to run at the start of the meeting or with your class as you sign on.

In the main event which will start immediately after the J.D.C. entrants have completed their two runs, the fourteen classes 1 to 14 inclusive will have their first runs in number order right up to No. 146. The second runs will then commence with class 14 once again followed by classes 1 to 13 in number order.
