FINAL INSTRUCTIONS FOR COMPETITORS AND MARSHALS

Thank you very much indeed for your entry, or for your offer to marshal on our "Autocross" on Sunday. The list of entries, competition numbers, etc. is given on the other side of this sheet.

The course is situated in fields on the East side of the main Leeds/Harrogate road A.61 approx 1 mile to the North of Harewood Bridge. O.S. 96 Ref 308477. and is being used by kind permission of C. Atkinson Esq., Please respect Mr. Atkinson's kindness and think of the organiser's backs by not casting your litter in all directions whilst in the field.

Practice will start at 10.49a.m. and scrutineering will open at 10.30a.m. There will be a lunch interval and cooked meals will be available at the site. The event proper will start at 2.00p.m. prompt and any competitor lingering in the Harewood Arms will probably miss his first run.

The course will be approx 1,000 yards in length and sommot on grass. Cars will start singly at intervals of approx 15 seconds until four cars are on the course at one time. Each run will consist of two laps of the course and four timed runs will be allowed to each competitor.

There will be a working party in the field at 2.30p.m. on Saturday afternoon and on Friday evening at 7.15p.m. to set out the course. If you come on Friday please bring a shovel.

We would also like a little help at the conclusion of the meeting to tidy up.
