MEDICAL AND RESCUE ARRANGEMENTS - The Chief M.O. will be located by the Medical Caravan in the Paddock by the Paddock Marshal's Office. A second M.O. will be located down the course at Orchard Corner with the Rescue Unit. One Ambulance will be by the roadblock at the finish, the other will be at Orchard corner.

In the event of an accident, Harrogate General Hospital will be used for the removal of casualties. Telephone Harrogate 83684.

FIRE EQUIPMENT - Apart from equipment used by specialised teams, each post on the Course will be equipped with 30lb. and 15lb. Dry Powder extinguishers, asbestos gloves, fire blankets, grappling irons, shovels, brooms, etc. In the paddock there are extra stocks of extinguishers.

RED FLAG PROCEDURE - In the event of a Car being stopped during a run by a Red Flag, the driver should be despatched, with caution up the course as soon as possible and told to go directly to the Paddock Exit Lane for a re-run.

The procedure adopted where a red flag has to be shown is for this to be exhibited at the post immediately before the incident but Not repeated all the way down the course. The only exception is that where there is an incident at Quarry Corner, this should be repeated by Paddock Exit as well as at the entrance to Quarry Corner.

CLEARING UP - After the event, please help by ensuring that all the equipment at your post is returned to the Control Bus. Iron stakes should be removed but wooden fence stakes should be left in the ground.

DOGS - As there will be a lot of people at this meeting who are at their first Speedclimb, please use extra vigilance to ensure that no dogs get into the Paddock or Hillside Spectator Area.

Next Meeting - R.A.C. British Hill Climb Championship event on Saturday and Sunday 6/7th. July. If you have not already volunteered please see the Chief Marshal when you sign on.
