PRACTICE

Practice WILL be run strictly in CLASS order. Time is short on a one day event and help from everybody will enable us to finish on time.

Starting Cars at The Start

The Start Line Marshals are provided to control and direct the traffic in the Start Area. They are **not** provided to start competitors' cars. It is the competitors' responsibility to supply the personnel and equipment necessary to start their vehicle.

Competitors in classes 11 to 17 will receive a Paddock Window Pass. Display it on your tender vehicle window or access to the paddock will not be allowed.

Tender Vehicles must travel to the Start via the Trailer Park and the road through the hillside Car Park. They may return to the Paddock via the Course.

Drivers are reminded that the Paddock is a non-competitive area and cars must be conducted at **walking pace** when **ENTERING** and when moving about the Paddock. Please give pedestrians due consideration and have regard for their safety. Failure to comply may result in exclusion from the Meeting.

Posters.

If anyone can help us to promote Harewood Hillclimb by the display of posters, would they please leave their name and address at the bus for the attention of chairman Jim Johnstone.
