MARSHALS

Marshals are particularly requested to arrive early so that practice can commence to programme. Marshals signing on will take place in the Clubhouse. A strict one-way traffic system will operate from the paddock and return.

SCRUTINEERING

All cars will be scrutineered at their allocated place in the paddock.

DISPLAY OF COMPETITION NUMBERS

Competitors are reminded of the requirement in the regulation E.12.3.11.

HELMETS

Helmets and flame resistant overalls will be worn by all competitors at all times on the course. The start area marshals will not allow any competitor out onto the course unless his/her helmet is fully secured and flame resistant overalls are worn.

TENDER VEHICLES

Tender cars may proceed to the start area with the competing cars and park OUTSIDE the start enclosure. You must return to the paddock by the public car park road.

MOTOR HOMES

Motor Homes may only be parked either in the trailer park or the motor home park which is situated on the hard standing at the rear of the hillside enclosure. In no circumstances may motor homes be parked on the edge of the hill in the public enclosure.

DRIVERS

Drivers are reminded that the paddock is a non-competitive area and cars must be conducted at walking pace when ENTERING and when moving about the paddock. Please give pedestrians due consideration and have regard for their safety. Failure to comply may result in exclusion from the meeting.

Competitors in classes 7 and D to L will receive a paddock window pass. This allows a competitor to have one vehicle in the paddock during the course of the meeting and this vehicle must display the paddock window pass. IT IS NOT IN ADDITION TO YOUR TRAILER. The trailer must be left outside the paddock in the trailer park. Display the pass on your tender vehicle window or access to the paddock will not be allowed.

Drivers are reminded that your correct competition number MUST be prominently displayed on both sides of your car as per RACMSA Technical Regulations.

Numbers will be available for sale at signing on.

Drivers are reminded that driving competition cars on the public highway displaying competition numbers contravenes RACMSA Technical regulations.

The start area is a designated part of the course and as such all persons under 16 years of age are prohibited from this area.

Competitors attention is drawn to E.2.6.2. in the Blue Book :- Competition Licences must have a current photo of the holder.

Competitors attention is drawn to E.5.2. :- Competitors and drivers are forbidden to abandon one event and compete in another.

Competitors attention is drawn to Q14.2 which relates to the warming of gearboxes in the paddock.

At Harewood, due to the sloping terrain the Organisers do not consider it possible to safely suspend a vehicle in order to carry this out and this regulation is therefore modified. The warming of gearboxes in the manner described is prohibited. Penalty - Exclusion.

Drivers requiring signatures for licence upgrading should leave their licence with the Secretary of the Meeting at signing on. The licence should be collected after the driver has completed his/her competitive runs.

The order of running of shared cars will be as set out in 9.4 and 9.5 on page 95-7 of the 1995 BARC (Yorkshire Centre) Regulations Booklet and NOT as shown on their entry list.

INSTRUCTIONS TO OFFICIALS

Your attention is drawn to the following RACMSA regulations F.13.1.2.

The Clerk of the Course should relieve from duty any marshal or any other official who the Medical Officer considers as possible unfit by reason of health, consumption of alcohol or drugs. Tests may be carried out at any time by a Medical Officer under the authority of L1.16.1. and L1.16.2. Any form of doping is strictly forbidden including the use of alcohol.

INSTRUCTIONS TO COMPETITORS
