WELCOME

We would like to welcome all new and regular competitors to the Harewood Speed Hillclimb. We hope you have a safe, happy and successful day's motorsport. Please help us to help you and everyone else enjoy it too. The BARC Yorkshire committee is constantly striving to improve the facilities and running of events at Harewood; if you have any constructive criticism or **suggestions** as to how we can achieve this, any of the club officers would welcome hearing from you.

AWARDS

If you are fortunate enough to win one of the **awards** please make arrangements for it to be collected if you cannot stay for the presentation; we cannot undertake to post them out for security reasons.

OFFICIALS

Please arrive as early as possible so that practice can commence on time. Signing-on, briefing and radio distribution will take place in the Clubhouse, where coffee will be available. There will be a sheet in the Paddock Office for those with duties in the paddock. **A Car Pass is enclosed to allow you through the paddock. Please display this on your windscreen.** Control will call full **radio checks** as soon as the course is manned and after lunch; to save time and confusion, please wait for these rather than instigating your own when you arrive on post.

Please observe the **one-way traffic system**, following the same route as the competitors at all times apart from short-cutting behind the barns if appropriate. To avoid congestion in the paddock, if you come up to the top at lunch-time please park on the grass alongside the braking straight.

At the **end of the meeting** please stack all your equipment (except radios - deliver to race control) at the trackside; it would be helpful if someone could remain on post until the equipment van arrives, to help load it.

COMPETITORS

Motor Homes and caravans must be parked either in the trailer park or adjacent to the hedge in the area west of the paddock (access to this area is via the Public Entrance, **NOT THROUGH THE PADDOCK**); in no circumstances may they be parked on the edge of the hill in the public enclosure.

Paddock vehicle passes are enclosed, as usual, on the basis of one for each competing car, permitting one vehicle **or** trailer in addition to the competing car to be parked in the paddock during the meeting. **This pass must be displayed prominently on the vehicle to which it relates at all times.**

All other vehicles/trailers should be left in the trailer park. Any apparently unauthorised vehicle parked in the paddock may be removed by the organisers without notice and by whatever means necessary. If it is found to be connected to a competitor then, reluctantly, the C of C will take disciplinary action against that competitor. Please play fair and set an example to everyone else.

Please note that you must produce at **signing-on** your club membership and/or championship registration cards as necessary, as well as your MSA competition licence and the entrant's licence if appropriate. If you require an **up-grading signature** on your licence, it must be left with the Secretary of the Meeting when you sign-on and collected after the results of your class have been published.

Competition numbers can be purchased at signing-on; you are reminded that driving your car on the public highway displaying these contravenes MSA regulations. You are also reminded that, having had your entry accepted, you are prohibited by MSA regulations from abandoning this event to compete in another.

All cars will undergo **scrutineering** in their allocated paddock parking bay in batches as outlined in the timetable. Competitors in '**visiting**' championships are reminded that they are responsible for ensuring their own compliance with the appropriate championship technical regulations, which may be more restrictive than those governing the class in which they are entered this meeting.

To comply with Health & Safety legislation, the testing of vehicles on the entrance road or any part of the public enclosures is prohibited. Practice starts, tyre warming, excessive braking and/or weaving are all forbidden on the road between the paddock and the startline. Similarly, please bear in mind that the paddock is a non-competitive area and cars must be driven at **walking pace** when entering and moving about in it. Please give pedestrians due consideration and have regard for their safety.

Because of the restricted nature of the paddock, the riding of paddock bikes, two or four wheel, motor or pedal powered, is strictly prohibited.

If you wish, you may take a **tender vehicle** down to the start with your competition car, in which case please park it on the grass outside the start enclosure and return it to the paddock via the hillside car park road. Please bear in mind that motor vehicles must not be driven on any part of the Harewood Hill premises by anyone who is not licensed and insured to do so; also that the start area is a designated part of the course and, as such, persons under the age of 16 may not enter it.

A further **merging** of classes may take place on the Wednesday prior to the meeting if the number of entries in a class falls below four due to withdrawals.

All competitors must **walk the course** prior to the start of practice, which will be run strictly in class order.

The order of running of **shared cars** will be as set out in paras. 8.3, 8.4 & 8.5 General Information section, 2001 Harewood Booklet, **not** as shown in the entry list.

WASTE OIL

There is a Waste Oil receptacle adjacent to the toilet block. Anyone found depositing waste oil anywhere else will be charged with the removal and cleaning.

REMINDER

No photograph on Competition Licence - fine £30

Competition Licences **MUST BE SIGNED**

H - denotes entrant in the BARC Harewood Speed Hillclimb Championship

NO TRAILERS OR TOWING VEHICLES TO BE TAKEN IN OR OUT OF THE PADDOCK BEFORE THE END OF THE MEETING. ROAD CARS AND COMPETITION CARS MAY BE TAKEN OUT BUT NOT TRAILERS.

IF YOU FEEL THERE ARE SPECIAL CIRCUMSTANCES, CONTACT THE CHIEF PADDOCK MARSHAL

IMPORTANT

There are red lights half way between Chippy's and Country Corner and also on Quarry Straight.

In areas where corner cutting has taken place there are demarkation posts - which are not penalty markers - but which may cause damage to your vehicle if you hit them.
