PLEASE NOTE:

**There is a Game Fair at Harewood House on Aug 3rd and it
would be advisable to arrive early to avoid any traffic
congestion**

PLEASE READ THESE NOTES AND THE TIMETABLE VERY CAREFULLY

WELCOME

We would like to welcome all new and regular competitors to the Harewood Speed Hillclimb. We hope you have a safe, happy and successful day's motorsport. Please help us to help you and everyone else enjoy it too. The BARC Yorkshire committee is constantly striving to improve the facilities and running of events at Harewood; if you have any constructive criticism or suggestions as to how we can achieve this, any of the club officers would welcome hearing from you.

AWARDS

If you are fortunate enough to win one of the awards please make arrangements for it to be collected if you cannot stay for the presentation; we cannot undertake to post them out for security reasons.

OFFICIALS

Please arrive as early as possible so that practice can commence on time. Signing-on, briefing and radio distribution will take place in the Clubhouse. A Car Pass is enclosed to allow you through the paddock. Please display this on your windscreen throughout the event. Control will call full radio checks as soon as the course is manned and after lunch; to save time and confusion, please wait for these rather than instigating your own when you arrive on post.

Please observe the one-way traffic system, following the same route as the competitors at all times apart from short-cutting behind the barns if appropriate. To avoid congestion in the paddock, if you come up to the top at lunch-time please park on the grass alongside the braking straight.

At the end of the meeting please stack all your equipment (except radios - deliver to race control) at the trackside; it would be helpful if someone could remain on post until the equipment van arrives, to help load it.

COMPETITORS

Motor Homes and caravans must be parked either in the trailer park or adjacent to the hedge in the area west of the paddock (access to this area is via the Public Entrance, NOT THROUGH THE PADDOCK); in no circumstances may they be parked on the edge of the hill in the public enclosure.

Paddock vehicle passes are enclosed, as usual, on the basis of one for each competing car, permitting one vehicle or trailer in addition to the competing car to be parked in the paddock during the meeting. This pass must be displayed prominently on the vehicle to which it relates at all times.

All other vehicles/trailers should be left in the trailer park. Any apparently unauthorised vehicle parked in the paddock may be removed by the organisers without notice and by whatever means necessary. If it is found to be connected to a competitor then, reluctantly, the C of C will take disciplinary action against that competitor. Please play fair and set an example to everyone else.

Please note that you must produce at signing-on your club membership and/or championship registration cards as necessary, as well as your MSA competition licence and the entrant's licence if appropriate. If you require an up-grading signature on your licence, it must be left with the Secretary of the Meeting when you sign-on and collected after the results of your class have been published.

Your competition licence must be signed and have a photograph fixed to the front. Competition numbers can be purchased at signing-on; you are reminded that driving your car on the public highway displaying these contravenes MSA regulations. You are also

reminded that, having had your entry accepted, you are prohibited by MSA regulations from abandoning this event to compete in another.

All cars will undergo scrutineering in their allocated paddock parking bay in batches as outlined in the timetable. Competitors in 'visiting' championships are reminded that they are responsible for ensuring their own compliance with the appropriate championship technical regulations, which may be more restrictive than those governing the class in which they are entered this meeting.

To comply with Health & Safety legislation, the testing of vehicles on the entrance road or any part of the public enclosures is prohibited. Practice starts, tyre warming, excessive braking and/or weaving are all forbidden on the road between the paddock and the startline. Similarly, please bear in mind that the paddock is a non-competitive area and cars must be driven at walking pace when entering and moving about in it. Please give pedestrians due consideration and have regard for their safety.

Because of the restricted nature of the paddock, the riding of paddock bikes, two, three or four wheel, motor or pedal powered, is strictly prohibited.

If you wish, you may take a tender vehicle down to the start with your competition car, in which case please park it on the grass outside the start enclosure and return it to the paddock via the hillside car park road. Please bear in mind that motor vehicles must not be driven on any part of the Harewood Hill premises by anyone who is not licensed and insured to do so; also that the start area is a designated part of the course and, as such, persons under the age of 16 may not enter it.

A further merging of classes may take place on the Wednesday prior to the meeting if the number of entries in a class falls below four due to withdrawals.

All competitors must walk the course prior to the start of practice, which will be run strictly in class order. The order of running of shared cars will be as set out in paras. 8.3, 8.4 & 8.5 General Information section, 2003 Harewood Booklet, not as shown in the entry list.

Paddock Safety. Competitors are referred to Q 14.2

WASTE OIL

There is a Waste Oil receptacle adjacent to the toilet block. Anyone found depositing waste oil anywhere else will be charged with the removal and cleaning.

PLEASE NOTE: All times published throughout the day are for information only.

No trailers or towing vehicles to be taken in or out of the paddock before the end of the meeting. Road cars and competition cars may be taken out but not trailers. If you feel there are special circumstances, contact the Chief Paddock Marshal.

IMPORTANT

There are red lights half way between Chippy's and Country Corner and also on Quarry Straight. In areas where corner cutting has taken place there are demarkation posts, which are not penalty markers - but which may cause damage to your vehicle if you hit them.

Please park centrally on your numbered position in the paddock

H - denotes entrant in the BARC Harewood Speed Hillclimb Championship

The Harewood Hillclimb course is a private road. Only persons who have obtained specific permission from the organisers are permitted to drive on the course. Failure to comply may result in being asked to leave the site.

How to get to Harewood

Anyone travelling from the south or midlands up the M1

After the M62 junction continue on the M1 (do not take the road into Leeds). This link road runs straight into the A1 and about 4 miles after joining the A1, take the A659 to Otley.

Travelling from the north down the A1

Take the A659 to Otley

Follow this road (signed for Harewood House), through Collingham (bear right at the lights). In approx 2 miles, on the left hand side of the road, you will pass the Travellers Rest pub. In exactly 1 mile Harewood Hillclimb is on the right hand side - look for the wooden rails and signs.

If travelling from the A61 at the traffic lights at the entrance to Harewood House turn onto the A659 signed to Tadcaster and Harewood Hillclimb is 1 mile on the left hand side.

PLEASE NOTE:

There is a Game Fair at Harewood House on Aug 3rd and it would be advisable to arrive early to avoid any traffic congestion
