WELCOME TO HAREWOOD SPEED HILLCLIMB

We would like to welcome all new and regular competitors to the Harewood Speed Hillclimb. We hope you have a safe, happy and successful day's motorsport and thank you for your help in making sure the event runs as smoothly as possible. The BARC Yorkshire Centre Committee is constantly striving to improve the facilities and running of events at Harewood. If you have any comments or suggestions as to how we can achieve this, any of the club officers would like to hear from you.

COMPETITORS

Motorhomes and caravans must only be parked in the trailer park

Paddock vehicle passes are enclosed, permitting one vehicle or trailer to be parked in the paddock during the meeting, in addition to each competing car. This pass must be displayed prominently on the vehicle to which it relates at all times. All other vehicles/trailers should be left in the trailer park. Any unauthorised vehicles parked in the paddock may be removed by the organisers

Please park centrally on your numbered position in the paddock.

Signing-on - you must produce your club membership and/or championship registration cards, aswell as your MSA competition licence and entrant's licence if appropriate. If you require an up-grading signature on your licence, it should be left with the Secretary of the Meeting when you sign-on and collected after the results of your class have been published.

You are reminded that, having had your entry accepted, you are prohibited by MSA regulations from abandoning this event to compete in another.

A further merging of classes may take place prior to the meeting if the number of entries in a class falls below four due to entries being withdrawn.

Practice will commence promptly at the time indicated in the timetable and will run in programme order. All competitors must walk the course prior to the start of practice.

Shared cars - the order of running of shared cars will be as set out section 8 of the General Information section of the Event Regulations Booklet, not as shown in the entry list.

Competition numbers can be purchased at signing-on. You are reminded that driving your car on the public highway displaying these contravenes MSA regulations.

Scrutineering - all cars will undergo scrutineering in their allocated paddock parking bay in batches as outlined in the timetable. Competitors in 'visiting' championships are reminded that they are responsible for ensuring their own compliance with the appropriate championship technical regulations.

Noise - due to local environmental problems, all cars will be checked for noise levels by an MSA Environmental Scrutineer. Both static and trackside checks may be carried out. Any car that does not meet the MSA noise level requirements may be refused permission to run until it is able to comply.

Tender vehicles may be taken down to the start with your competition car. Please park it on the grass outside the start enclosure and return it to the paddock via the hillside car park road. Please bear in mind that motor vehicles must not be driven on any part of the Harewood Hill premises by anyone who is not licensed and insured to do so. The start

area is a designated part of the course and, as such, persons under the age of 16 may not enter it.

Health & Safety. The testing of vehicles on the entrance road or any part of the public enclosures is prohibited. Practice starts, tyre warming, excessive braking and/or weaving are all forbidden on the road between the paddock and the startline.

Please note that Harewood Hill is a private road and can only be driven on with the specific permission of the organisers or landowner due to safety and insurance implications. Any competitor taking unauthorised practice may be excluded from the meeting.

Paddock safety The paddock is a non-competitive area and cars must be driven at walking pace when entering and moving about in it. Please give pedestrians due consideration and have regard for their safety.

Competitors are referred to Q 14.2, prohibiting the running of vehicles, in gear with the driven wheels raised off the ground

Because of the restricted nature of the paddock, the riding of paddock bikes (two, three or four wheel, motor or pedal powered) is strictly prohibited.

Admission – There are only two ways to gain admission to Harewood – either by ticket, or pay at the gate. No refunds will be given.

Waste oil - there is a waste oil receptacle adjacent to the toilet block. Anyone found depositing waste oil anywhere else will be charged with the removal and cleaning.

Course information - there are red lights between Chippy's and Country Corner and also on Quarry Straight which should be treated in the same way as red flags. In areas where corner cutting has taken place there are demarcation posts, which are not penalty markers but which may cause damage to your vehicle if you hit them. Deliberate driving over these markers may be dealt with under O1.1.8.

Leaving the paddock – competing cars or tender vehicles may leave the paddock prior to the end of the meeting under direction from the paddock marshals. No trailers or tow vehicles should be taken in or out of the paddock before the end of the meeting. Please contact the Chief Paddock Marshal if you have any queries about moving your vehicles during the meeting.

OFFICIALS

Please arrive as early as possible so that practice can commence on time. Signing-on, briefing and radio distribution will take place in the Clubhouse. A Car Pass is enclosed to allow you through the paddock. Please display this on your windscreen throughout the event.

Control will call full radio checks as soon as the course is manned and after lunch - please wait for these rather than instigating your own when you arrive on post.

Please observe the one-way traffic system, following the same route as the competitors at all times apart from short-cutting behind the barns if appropriate. To avoid congestion in the paddock, if you come to the top at lunch-time please park on the grass alongside the braking straight.

At the end of the meeting please stack all your equipment (except radios - deliver to race control) at the trackside; it would be helpful if someone could remain on post until the

NOISE

The BARC Yorkshire Centre Committee is working with the local residents and authorities to reduce the noise on hillclimb days. We have agreed a programme of improvements to the venue and the running of our events, including screening and noise monitoring. We will be monitoring and recording the noise levels from all competing cars and will have to prohibit cars exceeding the MSA noise limits from competing in the event. We would appreciate your help by making sure your car does comply with these regulations.

Thank you for your understanding

Tim Wilson

Chairman, BARC Yorkshire Centre.

HOW TO GET TO HAREWOOD SPEED HILLCLIMB

Visitors from the South/Midlands should stay on the M1 beyond the M62 Junction (do not take the road into Leeds). This link road runs straight into the A1. About 4 miles after joining the A1, take the A659 west towards Otley. From the North, travelling down the A1, visitors should also take the A659 to Otley. Follow the A659 (signed for Harewood House) through Collingham (bear right at the lights). In approximately 3 miles. Harewood Hillclimb is on your righthand side. From Leeds or Harrogate take the A61 towards Harewood village. At the traffic lights take the A659 towards Wetherby. After a mile Harewood Hillclimb is on your left. Look out for the signs.

**Harewood Speed Hillclimb
Championship BBQ & Disco
1st July 2006**

Dear Competitor / Marshal / Official

Following the success of last years Championship BBQ & Disco we have decided to run the event again this year. We will aim to start at around 7:15pm; this gives us time to get things set up after the practice sessions. The BBQ is open to all Competitors, Marshals, Officials and families etc. Food will be served from 7:30 until 9:45.

As last year, thanks to Harewood Hill, we are able to use the clubhouse down at the Farm Yard. There is a good-sized patio area and, should the weather be non-to kind to us we can use the actual clubhouse as well. There will be the usual Disco in the Club House.

We will supply the food, including vegetarian alternatives, but I am afraid drink will have to be your own responsibility as in previous years.

The food will consist of the usual BBQ favourites, Chicken, Burgers and Sausages. Bread Rolls and Salad.

To cover the cost there will be a charge of £6.25 per person. £3.75 for children between 5 & 13.

If you would like to join us please complete the slip below and send to me at the address shown by Thursday 29th June. Tickets will be available at Signing On for collection.
