

# GUYSON/BARC HILL CLIMB CHAMPIONSHIP 1980

GUYSON METAL CLEANING CENTRES FOR A FASTER FINISH

Bulletin No.1

2nd. April 1980

Thank you very much for sending in a completed Registration Form for our 1980 Guyson/B.A.R.C. Speed Climb Championship which is, of course, accepted.

As Championship Organiser I have to apologise for the fact that no Bulletins were issued during the Winter and that we did not announce a final list of dates until the beginning of March. Sadly for what I have always thought was a truly friendly sport, certain people were playing politics with results that delayed final registration of our Championship and to have publicised things earlier would have put us in breach of RAC rules.

Perhaps the saddest result of these moves has been to deprive us of the chance to run our first round at Prescott, and even more stupidly, to engineer a clash with the April meeting at Harewood. We feel deeply sorry for the Bugatti Owners Club who have been put in this unfortunate position and hope that it will not arise again in 1981.

It is particularly sad to me that as a result our Sponsors - Guyson International Ltd., - who must surely be one of the best and most loyal supporters of Speedclimbing, have been deprived of part of the benefit of their support. We will do our best to see that they get due recognition during the balance of the season.

Can you please note that under the rules of the Championship, and in line with the R.A.C. Conditions for Sponsored Championships, all entrants must carry the sponsor's stickers prominently displayed on the side of their cars if they are to be credited with points. This is a reasonable request which will be strictly adhered to. It is only fair to Guyson International that their name should be given due prominence.

Can you please note some incorrect Bogey Times which have come to light since the Championship Regulations were published. As allowed in Regulation 7 these are hereby corrected and the "Bogey Times" below replace those published in the Regulations.

Tim Smith is hoping to attend every round of the Championship to see to queries and do the marking. I will join him when my work permits.

We all hope you have a very good season's sport and thank you for your support of our Championship, now in it's thirteenth year.

Championship Organiser.
