When you think kettles, think KEMATAL®

Acetal copolymer

Together they make a great cuppa

Today most new electric kettles and water jugs are using Kematal® for the bodies and lids, following the proven success of the first kettle to use Kematal® for the body – the 'Futura'.

Kematal® is an engineering material that is strong, resilient to impact, clean and hygienic. The material has been proven in numerous domestic applications over many years.

Kematal® is approved for use with drinking water and meets the requirements of the Food and Drug Administration (FDA) for use in contact with food.

Kematal® is used in electric kettles manufactured by:–
Haden, Mellerware, Rowenta, Russell Hobbs, Swan, Tefal...

TEFAL
HADEN

mellerware

For more information about Kematal® in kettles fill in the coupon today, or write to:
Celanese Limited,
78/80 St Albans Road,
Watford, Herts,
WD2 4AP.
Tel (0923) 33616.

1985 HAREWOOD
HILL CLIMB CHAMPIONSHIP

After both Class Runs have been completed, the 10 eligible drivers who have recorded the 10 fastest times in those class runs are given the opportunity of making two special Championship Runs. Each of these runs is made in reverse order with the competitor who qualified the most slowly finishing first and the fastest qualifier last. Points are scored for the HARWOOD F.T.D. AWARDS on the basis of 10, 9, 8, 7, 6, 5, 4, 3, 2 & 1 for finishing in 1st. to 10th. places in the Championship Runs. There is also one Bonus Point for any competitor who, on the Championship Runs, beats the course record which was standing at the commencement of the meeting.

SPEED TABLE

The table below will enable you to relate competitor's times for the climb with their average speed for the 1090 yards of the course. To get these average speeds into perspective, remember that times are taken from a standing start and that some of the corners are very slow. As an example, when Peter Kaye set the course record to 38.18 secs on 13th. May 1979, this was an average speed of 58.39m.p.h., but he was timed through the speed trap on Quarry Straight at just over 107m.p.h.

If anyone wants to get really precise, if they divide a constant of 2229.5454 by their time in seconds and hundreths, it will give their exact average speed.

Time m. s.	Ave speed	Time m. s.	Ave speed	Time m. s.	Ave speed	Time m. s.	Ave speed	Time m. s.	Ave speed
35.00	63.70	39.00	57.17	43.00	51.85	47.00	47.44	51.00	43.72

NOTICES

JURISDICTION

This meeting is governed by the General Regulations of the R.A.C. Motor Sports Association Ltd., (Incorporating the provisions of the International Sporting Code of the F.I.S.A., the Supplementary Regulations issued for the event, The Harewood Regulations Booklet 1984 the leaflet B.A.R.C. Speed Event Classes 1984 and any written instructions the B.A.R.C. Yorkshire Centre may issue for the event.

MOTOR RACING IS DANGEROUS

Spectators attending at this track do so entirely at their own risk, It is a condition of admission that all persons having any connection with the promotion and/or organisation and/or conduct of this meeting, including the owners of the land and the drivers & owners of the vehicles and passengers of the vehicles are absolved from all liability arising out of accidents causing damage or personal injury to spectators or ticket holders.

PROGRAMME

All literary matter in this Programme, including the list of competitors and their racing numbers is copyright.

The Club accepts entries and drivers' nominations in good faith & every effort is made to adhere to the printed programme. The Club however cannot accept responsibility for the failure of any driver, or car, to appear.

Although every endeavour is made to avoid inaccuracies in the descriptions of competing cars the Club accepts no responsibility for any that may occur.

LOST AND FOUND PROPERTY

Spectators who find articles are asked to hand these in to the Clerk of the Course's Office in the Paddock. Any people who have lost anything in the grounds should also apply at the bus.

MESSAGES

The Club wish to stress that announcements to assist spectators cannot be made over the course P.A. system except in cases of genuine emergency.

REFRESHMENTS

Refreshment services are operating in the Hill Side Car Park to supply hot and cold drinks, snacks, hot dogs, bacon sandwiches, etc. There is a licensed bar open from 11.00 a.m. to 6.30p.m. Ice Cream is also on sale.

LITTER

Will spectators please try to assist the Club by not dropping litter, but by putting it into the containers provided. For large items there is a skip near the refreshment tent.

ANIMALS

In the interests of safety, dogs are not admitted to the course or enclosures. If you have brought a dog with you, it must be secured in your car in the outer car park.

ACKNOWLEDGEMENTS

The British Automobile Racing Club Ltd., Yorkshire Centre wish to express their most sincere thanks to Harewood Hill Ltd., for making Stockton Farm available for this event today and to those members and friends of the club who subscribed for shares in Harewood Hill Ltd. and, by so doing have ensured the long term future of our events here.

We also wish to thank the West Yorkshire Police and the A.A. for their assistance with traffic arrangements. The members of the Medical Officers Group (Yorkshire), the St. John Ambulance Brigade and the Northern Race and Rally Rescue Marshals Club for emergency services, Craven Gilpin & Sons (1980) Ltd. for provision of refreshment services and to members of BARC and BMRMC for staffing the course, and everyone else who has worked, or is working to make the event a success.

The Industrial Revolutions

BNL Thermoplastic Bearings . . . exact, precise, versatile, and meeting a multitude of requirements the world over.

From floppy disk-drives up to cable carriers, castors to food conveyors, on the Space Shuttle or in the Sydney Opera House, BNL are in many major industries, designing, with your help and imagination, over 1000 bearings per year.

Self-lubricating, lightweight and quieter than conventional bearings, BNL Thermoplastic bearings are smooth operators indeed, and save money in the long run . . . and even longer runs too!

So, if you're planning a revolution, BNL will soon be round to your way of thinking.

ABOUT THE B.A.R.C.

The British Automobile Racing Club was first formed back in 1912 as "The Light Car and Cyclecar Club". In 1922 with the demise of the cyclecar, the name was changed to The Junior Car Club, and, as before, the events organised by the club were limited to cars of up to 1,500c.c. until the mid-twenties when the limit was dropped.

The Yorkshire Centre of the J.C.C. was formed in Leeds in 1922 and right from the start ran Speed Hill Climbs on the open road up Greenhow Hill at Pateley Bridge. These very enjoyable, and slightly hairy, events continued until there was an incident at a hill climb in the South of England where a spectating M.P. was struck by a competing car and, not suprisingly, the axe of authority put an end to timed competitions on the public highway.

Still further back, the Brooklands Racing Circuit was built near Weybridge in Surrey and opened in 1907. The Brooklands Automobile Racing Club was formed to organise events on the famous concrete oval.

Between the two world wars both the B.A.R.C. and the J.C.C. made their name with motor racing at Brooklands. In particular the J.C.C., now free of the restricting 1500 c.c. limit earned a name for exciting and innovative ideas on new ways to exploit the bumpy banked oval. Meantime the Yorkshire Centre, in common with the Club's other Centres, no longer able to organise speed events on the open road, developed it's local membership with a programme of all kinds of Rallies, Trials, Autotests, Treasure Hunts, Gymkhanas and a strong social calendar.

During world war two Brooklands was taken over by the government for aircraft production and when it became obvious that the chance of the concrete saucer ever being used for racing again was slim, the B.A.R.C. was absorbed into the J.C.C.

Directly after the war, the club was back in the field getting the States of Jersey to pass legislation to allow racing on their roads and assisting the Duke of Richmond and Gordon to develop Goodwood Airfield as it's home circuit.

In this period, the name "Junior Car Club" was proving to be something of a liability in negotiations with possible sponsors and landowners and in the late 40's the club changed it's name to the present "British

Automobile Racing Club". This perpetuated the initials of the old Brooklands Club, and at the same time reflected the scope and depth of experience behind the Club's programme.

Today the Club is the largest motor race promoting club in Britain and has it's own home circuit at Thruxton in Hampshire, where the Club's offices are located. The Club also runs motor racing at Brands Hatch, Cadwell Park, Lydden Hill, Mallory Park, Oulton Park, Silverstone and Snetterton. In the Yorkshire Centre we used to run racing at Croft Autodrome, but this has come to an end with the closure of this popular north-east venue and our speed competition activities now major on the speedclimb here at Stockton Farm, Harewood - one of the very best hill climb venues in the country. We also have a programme of social events including a regular monthly Club Night, a number of Dinners, Dances, Film Shows and non-speed events which include Autotests, Gymkhanas, Production Car Trials, etc.

To back up the Harewood events we run our own local championship, the Guyson International Harewood Hill Climb Championship which with the support of our good friends Guyson International offers a glittering prize fund and draws a very large support. We also do the "leg work" on the H.Q. organised B.A.R.C. Hill Climb Championship which, since its inception in 1969 has gone from strength to strength and has rounds all over the country.

Membership of the B.A.R.C. is open to all interested and has various grades. The basic subscription is £12 which covers the Club as a whole, but without the right to take part in Race Meetings and Speed Events. We would expect that all new members in the area would want to register with the Yorkshire Centre which costs an additional £3.50 per year and gives the right to be a part of our local activities, take part in the club's and other centres' Sprints & Hill Climbs and other non racing events plus those organised by other motor clubs to which the BARC is invited. For an extra £2 joint membership for husbands and wives is added. Membership runs for 12 months from the date of election and not just up to December 31st. as in many other clubs.

But if you want to assist us here at Harewood you do not have to be a Club member, just call in at the Bus in the Paddock and ask for a Marshalling Availability form to be sent to you.

Wherever you live - a visit to our newly extended showrooms is well worth a visit.
