**HAREWOOD CHAMPIONSHIP  
FINALS MEETING**

*This is the view that Tony Mekwinski has presented to his rivals so far this year, but will Tony falter at the last hurdle? or will he be the 1995 Harewood Champion? His rivals are closing in on him so look out for some frenetic high speed hillclimbing.*

## HAREWOOD HILL CLIMB CHAMPIONSHIP

Championship marks will be gained at the rate of 0.01 mark for each 0.01 of a second by which a driver is quicker than the bogey time in his/her class. There is a maximum limit of 20 marks which can be gained at any meeting.

### Championship positions on page 16

Tony Mekwinski in his MkII Escort has led the Championship from round 1 but Tony can still lose the championship unless the weather intervenes. The man to challenge him is Bobby Fryers in his Clio Williams in 10th place. Bobby, if he scores over 17.80 points and Tony fails to score, will win the championship, so Tony will have to hope that his Escort is mechanically reliable and that he doesn't experience brain fade and he improves on his July score of 16.45 which is presently his lowest.

The top ten is extremely fluid and if any driver thinks he is safe, he had better think again, for as well as Bobby Fryers who counts all his points, 11th placed Dennis Crompton in his BMW and 12th place man Roger Kilty in the Pilbeam will do likewise and in so doing will turn the top ten on its head. Those in second to sixth place look safe to remain in the top ten but from seventh place onwards Colin Stewart, Mark Brown and Tim Wilson are all under threat for lower down the order both Peter Hawkey and Brent Meredith will score all their points today, and if they maintain their scoring average they could force their way into the top ten.

As you can see, this event should be one of the most exciting finals that we have had for some years as the permutations are so numerous and so many drivers have much to lose or gain, so the gauntlet is down and may the best man win.

## FTD SERIES

If past form is anything to go by Roger Kilty (2.8 Pilbeam MP40) should sew up the FTD series at this event as well as claiming a top ten place in the overall championship. Equal with him, Nick Reeve in the Class J 1600cc Quest Terrapin has fought the good fight but Nick maybe overtaken by the fourth placed Alan Newton in his 3.5 litre March 772P as Alan hasn't a low score to drop and consequently will count all his points at this event. Last year's FTD Championship winner Alan Aucote in his 1100cc Terrapin has consistently scored high points this year but may find himself bumped out of the top three.
