## **Championship 1997**

### **How it's marked**

The Yorkshire Auto Trader BARC Harewood Hillclimb Championship is marked within classes on a Bogey Time improvement basis. The Bogey Times for the 1997 season are shown at the top of each class in the programme. These Bogey Times are derived by adding 18 seconds to the record for each class standing at the start of the season and remain unchanged throughout the season.

Championship marks will be gained at the rate of 0.01 mark for each 0.01 of a second by which a driver beats the Bogey Time for his/her class. Any competitor who does not beat the Bogey Time will gain no marks for that meeting.

There is a maximum limit of 20 marks which can be gained at any meeting, and marks can only be gained in the three class runs. Marks gained in five out of six qualifying rounds will be counted for the Championship results. If any of the six meetings does not take place, the qualifying number of events will be reduced so that it is always one less than the total number of meetings which do take place.

In the event of a tie in the final marking, this will be decided in favour of the competitor who has gained the marks in the fewest number of qualifying rounds, including discarded rounds.

## **FTD AWARDS SERIES**

### **How it's marked**

At each meeting marks will be awarded to the championship competitors who have recorded the ten fastest times of the day in the class runs.

Marks will be awarded on the scale 10, 9, 8, 7, 6, 5, 4, 3, 2 and 1 to the fastest competitor down to the tenth fastest competitor.

There will also be one bonus mark for any competitor(s) who breaks the course record standing at the commencement of the meeting.

Marks gained in five out of six qualifying rounds will be counted for the championship results.

In the event of a tie, the rules stated above also apply.

## **CLASSES 1 TO 5**

Our five new classes 1, 2, 3, 4 and 5 will not be included in the marking for the main 1997 Yorkshire Auto Trader BARC Harewood Hillclimb Championship, this is because of the unavailability of class records on which to base the Bogey Times. These five classes will, however, compete for an additional souvenir award during the 1997 season.

## *Championship 1997*

Quite a few potential championship competitors missed the first round, something that they may rue by the year's end, for anyone entering now will have to count all the rounds and hope that they are all dry.

The Easter event was a cracker. A fitting opening to the Yorkshire Auto Trader BARC Harewood Hillclimb Championship.

Dr Keith Wilford from Sheffield, in his black Lotus Europa seized the initiative and snatched class victory and the Championship lead at the Easter Meeting and comfortably leads the Championship with 18.16 points.

Peter Herbert made the most of his more powerful BDH engine, his Class A Modified Production Westfield scored a fine class victory, and with a points tally of 17.12, secured himself 2nd place in the Championship.

Peter Hamilton damaged his Caterham 7 when he spun at Willow at the Easter event, fortunately the damage was relatively light. The off-course excursion will not have dampened his enthusiasm and he will be trying to make in-roads on BMW driver Dennis Crompton's 3rd place.

Tony Metcalf in his Formula Ford will be trying to catch the Caterham of Peter Hamilton but he will have to keep a wary eye on the well turned out Clio Williams of Bobby Fryers.

Peter Griffiths leads the slick-shod single seater challenge in 7th place. Peter's Chevron has a 0.02 advantage over the Vauxhall engined Ward WD9V of Pickering driver Joe Ward. Joe has the same slender advantage over Bob Prest's Mallock, the two of them enjoying a tremendous scrap at the Easter meeting.

The Formula Ford of Andrew Henson rounds off the Top Ten points scorers, his 15.61 score puts him within striking distance of those above him. Similarly his position is not secure for there are a further four drivers on 15+ points.

## FTD CHAMPIONSHIP

All the leading contenders in the FTD Championship are here today except for 4th place man Dave Kitching who, at the time of writing, is on the reserve list, so Dave will be sweating and hoping someone pulls out allowing him to compete at this event. Peter Griffiths, in his highly effective Chevron, looks favourite to increase his lead in the FTD Series, but there is little room for error with the points scoring so close.

## FTD CHAMPIONSHIP POINTS

1	Peter Griffiths	Chevron B47	Class K	10 points
2	Duncan Pierce	Ralt RT3	Class K	9
3	Nick Reeve	Megapin	Class I	8

9	Joe Ward	Ward WD9V	Class F	2
10	Bob Prest	Mallock Mk20/27	Class F	1

## CLASS 1 TO 5 CHAMPIONSHIP

Our five new classes 1, 2, 3, 4 & 5 will not be included in the marking for the main 1997 Yorkshire Auto Trader BARC Harewood Hillclimb Championship, this is because of the unavailability of class records on which to base the Bogey Times. These five classes will, however, compete for an additional souvenir award during the 1997 season.

With many of his championship rivals not entered today, Huddersfield driver Tim Wilson should be able to capitalise on his lead. If Tim scores similar marks to those of Easter, his rivals will have a mountain to climb if they are to overtake him by the conclusion of the season.

## CLASS 1 TO 5 CHAMPIONSHIP POINTS

# "Organised by the **BARC**"

Year by year these four words are associated with more and more motoring events.

In 1996 the British Automobile Racing Club organised 70 motorsport meetings, 26 national championships, The Goodwood Festival of Speed, The Beaujolais Challenge, Big Night Out, Marshal Training Days and

numerous social and local competitions at our seven Regional Centres.

No matter which form of BARC Membership you take, (Racing, Marshal, Spectating or Centre), you can be certain you'll have plenty to see and do. As a Club member you can also take advantage of Member's Trade Discounts and reduced circuit admission prices and every Member receives a copy of the BARC bi-monthly magazine 'Startline'. **If you are looking for more action from a motor sport club write today for further information.**
