Hillclimb School Racing to Success

An entry of 21 drivers have just completed the second exciting BARC Harewood Speed Hillclimb Driving School. The Course was enthusiastically received and was enjoyed by all. Everyone who attended was generous with their praise and all said they would recommend it to their friends.

You don't have to have Michael Schumacher aspirations as the aim of the Course is to improve your driving skills and have fun at the same time.

Specialist cars are not required for the School, any road legal car will be welcome. We had Minis, Caterhams, Westfields, Ferraris, a Micra and an Astra - quite a varied selection.

One of the unique features of the course is that drivers are split into small groups and benefit from one to one instruction under the expert tuition of RAC British Hillclimb Champion David Grace and his team.

During the lunch break, a video playback allowed students to review their progress and any apparent faults were assessed so they could be eliminated in the afternoon session.

It was amazing how all aspects of pupils' car control improved during the day, this can only help to make them better and safer drivers on the road. So if you wish to polish up your driving skills and have a fun day out on Yorkshire's Premier Speed Hillclimb, ring Pat Kenyon on (0114) 234 0478

YORKSHIRE AUTO TRADER BARC HAREWOOD SPEED HILLCLIMB CHAMPIONSHIP

MARKING SYSTEM

Marking will be within classes on a Bogey Time improvement basis. For the 1998 season the bogey times for each class will become 'floating'.

At the conclusion of the first meeting where there is at least one entrant in a class, the time that the quickest competitor completes the course in will score that competitor 18 Championship marks AND set the bogey time. Other competitors in the same class will count the winning time plus 18 seconds as the bogey time for that meeting and score marks accordingly.

This class winning time will constitute the basis for the bogey time (winning time plus 18 seconds) for the following meeting. The bogey time for each class will stay in force until the previous quickest time is beaten, the bogey time for the class will then be revised for the next meeting.

To ensure that we have a worthy champion there will be a 'target time' for each class. A competitor must break this target time to be eligible to score a maximum of 20 points. A competitor not breaking this target time will only be eligible to score a maximum 18 marks no matter how much the bogey time is improved upon.

The Target Times for each class are printed at the head of the class and where there is an existing class record, this is also printed.

FTD

At each meeting marks will be awarded to the championship competitors who have recorded the ten fastest times of the day in the class runs. Marks will be awarded on the scale 10, 9, 8, 7, 6, 5, 4, 3, 2, 1 to the fastest competitor down to the 10th fastest. There will also be 1 bonus mark for any competitor(s) who break the course record standing at the commencement of the meeting.

Championship 1998

YORKSHIRE AUTO TRADER BARC HAREWOOD SPEED HILLCLIMB CHAMPIONSHIP

From here on in, the Championship hots up and a definite leader will emerge, not necessarily one of the 12 who have already scored 18 points. Taking my crystal ball firmly in both hands I would expect Bobby Fryers, whose Clio Williams now sports road tyres instead of last year's slicks, and Jonathan Mounsey, who has done likewise with his Sierra Cosworth, to uphold the saloon car banner.

David Bancroft, Peter Griffiths and David Sturdy can also score highly as could 16th place man, John Bennett, who will be out to avenge his Easter defeat by David Sturdy.

13 maybe classed as unlucky, but in 13th place, Peter Hamilton whose father Brian put the family Caterham off into the scenery at Easter, may stage a recovery and shoot up the leader board at this event. In 14th and 15th are two of the Harewood Driving School Instructors Tim Wilson, who suffered a rare defeat at Easter and John Green whose perennial sparring partner is amongst the leaders.

Improvement over last month's performance is the order of the day if one is to obtain a top ten placing but it is early days yet and any one of the 89 championship entrants could be in line for the £500 for winning the Championship.

John Waggitt is presently one of our Championship front runners in his newly acquired Ward WD9V.
