Dates for 1998

Saturday 12th September

Short Course Meeting

There are no championships contested today

Sunday 13th September

Championship Finals Meeting

Final Round of the BARC Yorkshire Auto Trader Harewood Speed Hillclimb Championship and a round of the 930 Motorsport Porsche Speed Championship and the Autofarm Porsche Speed Championship.

YORKSHIRE AUTO TRADER BARC HAREWOOD SPEED HILLCLIMB CHAMPIONSHIP

MARKING SYSTEM

Marking will be within classes on a Bogey Time improvement basis. For the 1998 season the bogey times for each class will become 'floating'.

At the conclusion of the first meeting where there is at least one entrant in a class, the time that the quickest competitor completes the course in will score that competitor 18 Championship marks AND set the bogey time. Other competitors in the same class will count the winning time plus 18 seconds as the bogey time for that meeting and score marks accordingly.

This class winning time will constitute the basis for the bogey time (winning time plus 18 seconds) for the following meeting. The bogey time for each class will stay in force until the previous quickest time is beaten, the bogey time for the class will then be revised for the next meeting.

To ensure that we have a worthy champion there will be a 'target time' for each class. A competitor must break this target time to be eligible to score a maximum of 20 points. A competitor not breaking this target time will only be eligible to score a maximum 18 marks no matter how much the bogey time is improved upon.

FTD

At each meeting marks will be awarded to the championship competitors who have recorded the ten fastest times of the day in the class runs. Marks will be awarded on the scale 10, 9, 8, 7, 6, 5, 4, 3, 2, 1 to the fastest competitor down to the 10th fastest. There will also be 1 bonus mark for any competitor(s) who break the course record standing at the commencement of the meeting.

Championship 1998

ROUND FOUR

In July Colin Stewart stormed into the lead with a new class record and a maximum score of 20 points. His fine performance leap-frogged him four places. The Guisborough Elan driver is only half a point ahead of the record breaking Clio Williams of Bobby Fryers. The Skipton Renault dealer has been amongst the leading contenders from the start of the season as has Settle Sierra Cosworth driver Jonathan Mounsey, the two Dalesmen will keep the pressure on the Elan man and may even snatch the lead if Colin makes a slip or has a mechanical problem.

In May the gap from 1st to 10th was 0.16. It opened up to 8 points in June but has been reduced to 5 points after the July event.

21 year old Jamie Hylton from Blackpool is still leading the single seater challenge but fifth place man Peter Griffiths will tumble out of contention as he is not competing in August.

Sports Car Specialist Jon Waggitt has been a consistent high scorer in his maiden year in the Ward WD9V Formula Libre sports car as has Sheffield Transport Manager Malcolm Dungworth, who did his championship aspirations no harm in July, with a score of 18.56 which was second highest of the day. This moved him up two places into 7th driving his Class 5 Modified Kit and Replica Cosworth engined turbocharged 4 wheel drive Dax Rush.

A man on the move is quick Metro driver Matthew Pinder, up two places into 8th. Tim Wilson is sufficiently concerned about maintaining his dominance in Class 4, so his Caterham Super 7 is undergoing a little more tweaking which he hopes will move him up the leader board and keep his class rivals at bay.

In 10th place overall, Haydn Spedding in his charismatic E Type Jag has had an exceptionally good season, the only blip on his record is a very low score at the damp June event. Without this, he would be much higher up the leader board.

August is the point in the season when the championship race hots up as all contenders can only count their best five scores out of a possible six.

FUTURE CHAMPIONSHIP ROUNDS

Sunday 13th September Championship Finals Meeting

Championship 1998

FTD CHAMPIONSHIP

It looks certain that Jamie Hylton in his 1600cc Malan single seater will move ahead of the present FTD Championship leader Peter Griffiths as the 2 litre Chevron driver has elected not to compete at the August event. This will open up the possibility of a fabulous climax to the FTD Championship at the final event in September. Although he has performed heroics in his 2 litre Formula Libre Ward WD9V, Jon Waggitt has damaged his top ten aspirations by not entering the August event, and 2 litre Reynard driver Mike Smith will probably move into third place.

LADIES CHAMPIONSHIP

Clare Sullivan in her distinctive red and white 1300cc Mini holds a 2 point lead over her nearest rival Lynne Owen. Lynne driving an OMS single seater designed by husband Steve, has missed two rounds so far, so it maybe the end of the season before she can challenge Clare's lead. Presently in a competitive 3rd place, Caterham driver Jenny Woodfield is on the reserve list for the August event and must wait to see if she obtains an entry, if not, any hope of a championship win will go out of the window.

"Organised by the BARC"

Year by year these four words are associated with more and more motoring events.

In 1996 the British Automobile Racing Club organised 70 motorsport meetings, 26 national championships, The Goodwood Festival of Speed, The Beaujolais Challenge, Big Night Out, Marshal Training Days and

numerous social and local competitions at our seven Regional Centres.

No matter which form of BARC Membership you take, (Racing, Marshal, Spectating or Centre), you can be certain you'll have plenty to see and do. As a Club member you can also take advantage of Member's Trade Discounts and reduced circuit admission prices and every Member receives a copy of the BARC bi-monthly magazine 'Startline'. **If you are looking for more action from a motor sport club write today for further information.**
