## *Championship 1999*

# YORKSHIRE AUTO TRADER BARC HAREWOOD SPEED HILLCLIMB CHAMPIONSHIP

### MARKING SYSTEM

Marking will be within classes on a Bogey Time improvement basis. For the 1999 season the bogey times for each class will become 'floating' The bogey time for each class will stay in force until the previous quickest time is beaten, the bogey time for the class will then be revised for the next meeting.

The initial 1999 Bogey Times will be the quickest class time at a BARC meeting during the 1998 season, with 18 seconds added.

To ensure that we have a worthy champion there will be a 'target time' for each class. A competitor must break this target time to be eligible to score a maximum of 20 points. A competitor not breaking this target time will only be eligible to score a maximum 18 marks no matter how much the bogey time is improved upon.

The target time has been beaten on all classes during the 1998 season with the exception of the three following classes. The target time remains active on these three classes only.

Class 1	70.40
Class C	61.17
Class E	62.20

Championship marks will be gained at the rate of .01 mark for each .01 second by which a driver beats the Bogey Time for his/her class.

Marks gained in five of the six rounds will be counted for the Championship results.

### FTD

At each meeting marks will be awarded to the championship competitors who have recorded the ten fastest times of the day in the class runs. Marks will be awarded on the scale 10, 9, 8, 7, 6, 5, 4, 3, 2, 1 to the fastest competitor down to the 10th fastest. There will also be 1 bonus mark for any competitor(s) who break the course record standing at the commencement of the meeting.

## *Championship 1999*

There must be something about the Yorkshire Dales air as Bobby Fryers, who hails from Keighley, heads the points table in this year's Championship. The 2 litre Clio driver has the slenderest of margins over Settle driver Jonathan Mounsey's hard driven Sapphire RS Cosworth Turbo. While in 4th place is Richard Hargreaves in his lurid yellow Mitsubishi Lancer Evolution. The Giggleswick driver, who is a past Harewood Champion, is less than half a point behind the pristine MG Midget of Sheffielder Geoff Goodwin.

Second on countback in the 1998 FTD Championship, Blackpool driver Jamie Hylton leads this year's FTD Championship. His 1600cc Malan single seater just heads the very quick Formula Libre Ward of Jon Waggitt. Just behind the Boroughbridge driver is Duncan Pierce's 2000cc Ralt RT3.

With a clear lead of over one point, Preston driver Clare Sullivan's well conducted Mini just heads the re-engined Caterham of Jenny Woodfield. The Scalby driver now has a 200 bhp 1600cc engine slotted in the Caterham she shares with Andy Stokes.
