**DIRECT DEBIT.** Payment by direct debit saves both you and the BARC a great deal of time and administration. It allows us to collect from your bank the correct subscription for the class of membership selected, at the precise time that renewal becomes due. It ensures that your subscription is never overlooked. The BARC will inform you at least six weeks in advance, of the amount of your subscription payments which will be debited from your account. This gives you plenty of time to change your class of membership if required, or to cancel your membership - by writing to your bank and BARC - if you so wish. Your interests are fully protected by the fact that the BARC has completed, and lodged, the prescribed Form of Indemnity in favour of your banker with the Committee of London Clearing Bankers. If the BARC should originate a direct debit in error, you may seek immediate reimbursement from the BARC through your banker under the indemnity. Your first subscription can be collected by direct debit, and this will be within one month following acknowledgement from your bank. There are many advantages to both the member and to the BARC in using direct debit: if you would like to pay your subscription in this way, please indicate accordingly in the payment section on this form and on receipt of your membership application we will send the necessary mandate

**PLEASE NOTE:** 1. That any badges issued remain the property of the Club, and are to be returned immediately on termination of Membership. 2. The Club reserves the right to require the return of badges at any time. 3. Badges are not transferable to any other person. 4. Clause 5 of the Company's Memorandum of Association is as follows.

Every Member of the Club undertakes to contribute to the assets of the Club in the event of its being wound up whilst he/she is a Member or within one year afterwards, for payment of debts and liabilities of the Club contracted before he/she ceases to be a Member, and the costs, charges and expenses of winding up, and for the adjustment of the rights of the contributors amongst themselves, such amount as may be required, not exceeding 50 new pence.
