Harewood Speed Hillclimb
TRAN-X BRITISH HILLCLIMB CHAMPIONSHIP MEETING
Sunday 6th July 2003

BIG HITTERS

The use of superlatives to describe this meeting is totally inadequate. We have a fantastic entry of Tran-X MSA British Hillclimb Championship contenders.

At our last British Championship event, two drivers were under the existing Course Record. Exceedingly impressive, Adam Fleetwood is new to large single seaters this season but that was no barrier to him undercutting the previous record by 0.62s. The Telford man driving his 3300cc Gould GR55 set a scintillating new record but the 2002 National Champion, Graeme Wight Junior, was also under the course record. These two look set for a season-long battle for the British Hillclimb Championship, but don't write off last year's No 2 Tim Mason.

At the May 11th Harewood round Adam's delight at the new course record was damped by him hitting the scenery and damaging the Gould so the stage is set for a return match of these two highly skilled protagonists.

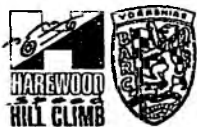

Championship second place man Tim Mason should be among the podium men but not if the likes of past champion Roger Moran and Simon Durling, who will be leading the chase in the impressive 26 car class, have any say. Many of the drivers will be driving cars with over 600 brake horse power under their right foot. To set a quick time on the narrow and twisting Harewood track requires great skill and determination.

In the smaller capacity classes, 2000cc Dallara F394 driver Ben Butterfield holds a very impressive 5th place in the Championship while fellow Class K driver Trevor Willis in the OMS is presently 6th overall, showing the ability and commitment of the drivers.

Heading the class related Leaders Championship after round 8, in the lead is Mark Budgett in the 1080cc Force, who has Graeme Wight Jnr close behind. In 3rd place is Mark Goodyear in the Vision V86 Hillclimb Supersports and joint 4th are Ben Butterfield (2000cc Dallara) and Adam Steel (600cc Martlet). Many of the country's top speed hillclimbers are present and given good weather could set new class records.

The event is the 5th round of the keenly contested Harewood Hillclimb Championship. Local Harrogate man Mike Geen in his Class 1 1400cc Peugeot 205 heads the leader board from his near neighbour James Blackmore in the 1370cc OMS. Dale Cordingley in the 1600cc Caterham is 3.68 points behind the championship leader.

As well as holding 2nd position in the overall championship, airline pilot James Blackmore leads the prestigious Harewood FTD Championship.

BARC HAREWOOD SPEED HILLCLIMB CHAMPIONSHIP 2003

MARKING SYSTEM

Marking will be within classes on a Bogey Time improvement basis. The 2003 Bogey Times will be the current class record standing at the commencement of each meeting with 18 seconds added.

Championship marks will be gained at the rate of .01 mark for each .01 second by which a driver beats the Bogey Time for his/her class.

Marks gained in six of the nine rounds will be counted for the Championship results.

Any competitor who does not beat the Bogey Time will gain no marks for that meeting. A maximum of 20 marks can be gained at any meeting.

Marks can only be gained in the two class runs at the meetings on 11th May and 5th/6th July 2003. At the remaining seven rounds marks can only be gained in the three class runs except if a decision to the contrary is made at the end of the first timed runs.

FTD

At each meeting marks will be awarded to the championship competitors who have recorded the ten fastest times of the day in the class runs. Marks will be awarded on the scale 10, 9, 8, 7, 6, 5, 4, 3, 2, 1 to the fastest competitor down to the 10th fastest.

There will also be 1 bonus mark for any competitor(s) who breaks the course record standing at the commencement of the meeting.

DIRECT DEBIT. Payment by direct debit saves both you and the BARC a great deal of time and administration. It allows us to collect from your bank the correct subscription for the class of membership selected, at the precise time that renewal becomes due. It ensures that your subscription is never overlooked. The BARC will inform you at least six weeks in advance, of the amount of your subscription payments which will be debited from your account. This gives you plenty of time to change your class of membership if required, or to cancel your membership - by writing to your bank and BARC - if you so wish. Your interests are fully protected by the fact that the BARC has completed, and lodged, the prescribed Form of Indemnity in favour of your banker with the Committee of London Clearing Bankers. If the BARC should originate a direct debit in error, you may seek immediate reimbursement from the BARC through your banker under the indemnity. Your first subscription can be collected by direct debit, and this will be within one month following acknowledgement from your bank. There are many advantages to both the member and to the BARC in using direct debit. If you would like to pay your subscription in this way, please indicate accordingly in the payment section on this form and on receipt of your membership application we will send the necessary mandate.

PLEASE NOTE: 1. That any badges issued remain the property of the Club, and are to be returned immediately on termination of Membership. 2. The Club reserves the right to require the return of badges at any time. 3. Badges are not transferable to any other person. 4. Clause 6 of the Company's Memorandum of Association is as follows:
 Every Member of the Club undertakes to contribute to the assets of the Club in the event of its being wound up whilst he/she is a Member or within one year afterwards, for payment of debts and liabilities of the Club contracted before he/she ceases to be a Member, and the costs, charges and expenses of winding up, and for the adjustment of the rights of the contributors amongst themselves, such amount as may be required, not exceeding 50 new pence.
