

BRITISH AUTOMOBILE RACING CLUB

YORKSHIRE CENTRE

We are enclosing copy of results for the Players No. 6 Television Hill Climb on Saturday 26th November 1966.

When we were approached to run an out of season event of this nature, we felt that the experiment was worth trying. Unfortunately, mud being what it is and the lack of sufficient rain and water to aid our sweeping machines, meant that the Hill Climb degenerated into the smoothest Autocross in the North of England. We realise how frustrating this must have been for the owners of potent machinery but we hope that your pleasure was not entirely spoilt by the conditions.

We look forward to seeing you at some of our events next season, when we confidently expect the Hill Climb year will end early in October.

Thank you very much for your support.

Yours sincerely,

M. S. Wilson,
Clerk of the Course.

Miss K.A.Reyner,
Secretary of Meeting.
