SCARBOROUGH HILL CLIMB

Owing to the general "end of term" atmosphere surrounding the annual Hill Climb at Scarborough, the Clerk of the Course presents his personal apologies that a number of errors crept into the Awards table appearing on the results sheets. The simplest way of dealing with this is to disregard the Awards listed on the bottom of page three and to substitute the following:-

On the question of Class Record Plaques, for Harewood as well as Scarborough, we have been trying to evolve a suitable design without, as yet, much success, so the award of these plaques since their inception is still delayed. With the end of the Competition season the Committee are going to get down to this in earnest and all the outstanding plaques will be despatched in the foreseeable future.

At this stage, with only the Croft Race Meeting on 15th. October to end our 1967 Speed Season (and incidentally, if anyone wants a Croft entry they should ring Leeds 638392/630944 at once), you may care to have a note of the dates of our 1968 Hill Climbs and Race Meetings :-
