Weather Conditions

Pretty well perfect for first runs, started to rain with second class runs for Class 14, 15 & 16 and was pouring down by the time the "TopTen" Run Off took place. In consequence no one improved upon his Class Run times and all awards were decided upon the Class Runs.

Special Note to all competitors.

Despite the fact that the weather put a damper on the end of the event, we do hope that you all enjoyed yourselves and we hope to see you again at one, or both, of our final two major hill climb events for 1967. These are:-

Saturday/Sunday 9/10th. September.

"Harewood National Hill Climb"

(Incorporating the final round of the 1967 R.A.C. British Hill Climb Championship)

Regulations available end of July

Saturday/Sunday 30th. September/1st. October

"Scarborough National Hill Climb"

On Oliver's Mount, Scarborough.

Regulations available late August

Social Note re. Harewood September National Meeting

On Saturday evening 9th. Tickets at 5/- each will be on sale at the Control Bus throughout the practice session.
