BRITISH AUTOMOBILE RACING CLUB - YORKSHIRE CENTRE

HAREWOOD HILL CLIMB

We are enclosing a copy of the results from last Sunday's National Hill Climb Meeting at Harewood as not everybody took a copy of the printed results when they left.

Will you please note that in Class 9 we have given a special award for the best Vintage and neo-Vintage machine and this award which is equal in value to a second class award, has been won by Mr. A.E.Padgett driving his Bentley Mark VI, two seater. There are also three Harewood Class Record Plaques which are omitted from the duplicated results. These go to K.N.Lee, F.P.Kaye and R.Speak.

Whilst on the subject of Class Record Plaques, we would apologise for the long delay in sending these out in the past but we have been trying to arrive at a suitable design. Things are, however, now in an advanced stage and we expect that these plaques will be distributed in the very near future.

With regard to the awards in Class 3, the Competitors finishing second and third in this class were excluded by the R.A.C. Scrutineers because the coachwork of their vehicles was not completely within the Touring Car Regulations and in consequence, Mr.Heppenstall who finished fourth in the class receives the second class award. We would like to record that Mr. J.Heppenstall, feeling that he has not fairly won this award, has donated the £5 to the Hill Climb resurfacing fund and we would thank Mr.Heppenstall for this gesture. As there were only six runners in this class, the third class award shown as being given to D.Stubbings, does not apply.

David Hepworth was fined £1 by the R.A.C. Steward for not practising on Saturday, but this was refunded when he explained that he had written off his transporter whilst testing the car at Croft on Saturday morning and had to go all the way back to Brighouse with a Trailer to bring the car to Harewood. Mr.Hepworth has also donated the fine to the Hill Climb resurfacing fund.

Enclosed is a copy of the regulations for our National British Montague Burton Trophy Hill Climb to be held on Sunday, 16th June, 1968. This meeting will follow the same pattern as last Sunday's event except that there will be no motorcycles, but there will be classes for Historic Racing Cars and similar chariots. In addition to the Hill Climbing, there will be a static display of veteran, edwardian, vintage and exotic motor cars.
