Harewood Members' Hill Climb - 10th. August 69

Results for this meeting are enclosed. Will you please note that in the list of awards on the sheets handed out at the end of the meeting there was one mistake. Bob Prest gets the 1st. class award in Class 11 and not Barry Joel.

Fellow competitors will no doubt be very pleased to know that Don. Gray from Rotherham who was involved in the nasty accident during the Top-Ten run off was fortunately not as badly injured as we all feared. He has broken his wrist and shoulder and slightly grazed a lung, but I am assured that the latter will heal fairly quickly.

Donald is in Ward 11 Harrogate General Hospital, Knaresborough Road, Harrogate and this afternoon's bulletin is that he is "Very well settled". He is to have an operation on his wrist on Thursday so no visitors will be allowed that day but he can see visitors on Wednesday and, the hospital expect, from Friday onwards. It is not known how long Donald will be in Harrogate Hospital, but I am sure he would appreciate the odd visit or "Get Well Card" from his friends.

SPEED EVENT CLASSES 1970

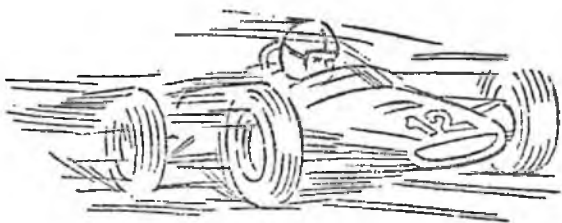

As you know, our Speed Event Classes are drawn up by a slightly benevolent dictatorship in an attempt to give fair and equal competition to as many different types of car as possible and, whilst there are inevitably some anomalies, in the main we do seem to strike a reasonable balance which is borne out by the number of clubs up and down the country who make use of these classes.

This year we intend to have an "Open Forum" at an hotel in Central Leeds on Wednesday 1st. October to consider any ideas, axe-grinds, moans, etc. following which the Class Sub-Committee will consider what has taken place at this Forum and the evidence of the past year and make their decisions on next year's classes. Any votes to test opinion taken at the forum will not necessarily be binding upon the sub-committee, although they will do their best to accomodate everyone's personal feelings.

The Class Sub-Committee will consist of five active members and Tony Hodgetts, our Competition Secretary, to see fair play. The Yorkshire Centre Committee have nominated Mike Wilson, Jim Johnstone and Allan Staniforth from last year's Class Sub-Committee and they hope that regular speed event Competitors will nominate the other two sub-committee members from amongst their number.

To enable this to be done, and to let you air any general moans it is proposed to hold a Drivers' Meeting in the Main Refreshment Tent at Harewood before practice on Sunday morning 14th. September at approx 10.00a.m. when all competitors will be welcome. In the meantime any letters on the subject should be addressed to M.S.Wilson, Silver Royd House, Leeds 12.
