

BRITISH AUTOMOBILE RACING CLUB YORKSHIRE CENTRE MSA CHAMPIONSHIP MEETING

FINAL RESULTS 6th JULY 2008

Tricky driving conditions at Harewood

Tricky driving conditions faced the 140 drivers at the British Hillclimb Championship meeting at Harewood Speed Hillclimb at the weekend. Practice on Saturday and the competitive runs on Sunday were mainly wet with the odd torrential downpours, thunder and lightning to keep the competitors on their toes.

The first British Championship Top 12 Run off on Sunday was wet and went to Martin Groves in his 3.5 litre Gould single seat racing car with a 61.52 second run, nearly a second clear of second placed man Trevor Willis in the 2.8 litre OMS. The wet conditions allowed both Tim Wilson and Eynon Price to mix it with the more powerful cars in their 1.4 and 1.6 litre OMS race cars and secure top ten places and championship points. Later in the day, with a virtually dry track for the second British Championship round, the results were a repeat of the May British Championship meeting at Harewood. Scott Moran set the fastest time of the day in his 3.5 litre Gould with a 49.77 second run, ahead of Groves on 50.04 and Jos Goodyear showing great pace yet again with a time of 50.75 seconds in the 4 litre Pilbeam.

With almost half of the season complete, Scott Moran still leads the British Championship with 156 points to Martin Groves' 110 and Trevor Willis' 103.

Most of the other class wins were between 8 and 10 seconds off the class records due to the wet conditions. The battle for supremacy in the race car classes was most intense with Tim Wilson taking the class win from Eynon Price by just over half a second in the under 1600cc category. Whilst in the up to 2 litre class, current record holder Paul Haines managed to keep his Dallara ahead of Tom New's Pilbeam by just 0.15 of a second. The gap in the unrestricted race car class was even closer with Martin Groves just beating Scott Moran by 0.07 of a second.

Organisers were rewarded with a dry prize presentation. Indeed, anyone who stayed till the bitter end were further rewarded by a trio of Red Kites swooping low over the paddock, demonstrating stunning flying skills.
