The marshal (Daniel Boman) injured on the start line at the end of the meeting, sustained "soft tissue damage" and a possible cracked rib, but was discharged from hospital later that evening.

The driver of car 86 (Andy Taylor) received medical attention after trapping his wrist between the steering and dashboard of his Westfield. Andy was also treated in hospital for damage to his radial nerve, but is expected to make a full recovery in a few days.

We all wish Daniel and Andy a speedy recovery and hope to see them again at Harewood in the near future.

RESULTS—THE SPRING NATIONAL MEETING—11th April 2010

A serious accident towards the end of the meeting involved a marshal being taken to hospital. The meeting was concluded prior to the end of the 3rd runs and consequently all 3rd runs have been excluded from the results.
