Welcome to Harewood 2012

2012 sees the start of another busy year at Harewood. A lot of work continues to go on behind the scenes in developing the website, on-line entries and use of email communications. We hope to build on the progress we made in 2011. We also continue to work hard on improving and maintaining the venue. Most of the work will not be obvious, but the work carried out by Harewood Hill Ltd on the farm buildings is more evident.

We are also looking forward to 2012 as the 50th year of Harewood Hillclimb, and the 100th of BARC. A small, but

select team has been working over the winter on a number of special events/classes for the September weekend. Any contributions and offers of assistance will be gratefully accepted.

Also in progress is the compilation of Harewood's History on-line, if you have any old documents, programmes, results or photographs, we have the facilities to scan or copy most formats and would love to hear from you.

The regulations for 2012 events are now on our website. We look forward to seeing many of you on

25th March for Practice Day, and on 15th April for the opening round of the BARC Harewood Speed Hillclimb Championship. We have made a few changes to the championship, and hope that many of you will support it. This year we have added another round on Saturday 7th July alongside practice for the British Hillclimb Championship event on Sunday.

Another date for your diary is the Annual Awards Presentation and Dinner on Saturday 1st December 2012, again at the Holiday Inn, Brighouse.

We hope you enjoyed the 2011 season, thank you for your support and we hope to see you again at Harewood during 2012.

Tim

"Bing" Crosby

We have to sadly inform you that FH "Bing" Crosby passed away, in hospital, early in the morning Monday 13th February 2012. Bing was 91 and had been unwell over the weekend. Bing was the last of the trio of venerable retired stewards, and had been a competitor and good servant to the Centre and Harewood. He will be sadly missed.

A full obituary will be published in a later edition of the Times-Ed
