11 All vehicles must comply with Motorsport UK Technical Regulations.

12 Vehicles will be divided into classes and categories as laid down in Schedule 2 and these SR's. Note: Some of these classes impose conditions of eligibility additional to the basic Motorsport UK Technical Regulations.

12.1 Once a competitor has entered a specific class, this will not be changed unless the car is found to be ineligible for that class.

12.2 Where in any class the number of entries is less than 2 then the organisers reserve the right to amalgamate the class. If it is not appropriate to amalgamate and a class is run with less than 2 entries, an award will not be presented.

13 Awards will be presented at the prize giving ceremony at the end of each meeting as follows: Fastest Time of the Day Awards : Fastest Time of the Day a Souvenir Award, Second Fastest Time of the Day a Souvenir Award and Third Fastest Time of the Day a Souvenir Award

13.1 Class Awards : A first-in-class award will be presented when there are two or more entries in the class, a second-in-class award where there are six or more entries in the class, a third-in-class award where there are ten or more entries in the class, and a fourth-in-class award where there are sixteen or more entries in the class.

13.2 The number of entries in a class for award purposes will be the number signed on in the class.

13.3 It is the intention to offer competitors at least three timed runs. If due to unforeseen delays it appears to the organisers that the published programme cannot be completed by approx. 18.00 hours a revised programme will be announced.

13.4 No competitor may win more than one meeting award with one car. Competitors who win one of the FTD awards will receive this in place of their Class awards and the remaining competitors in that class will receive the awards which are appropriate to their actual placing in the class.

13.5 If the award winner is unable to collect their award someone may be nominated to collect it on their behalf. Awards will not be posted, or held for collection at a later date.

14 The maximum entry for each meeting is as shown in Schedule 4.

14.1 The minimum for each meeting is 80, and the minimum for each class is 2.

14.2 Should any of the minimum figures not be reached, BARC (Yorkshire) reserves the right to amalgamate classes or cancel the event.

14.3 Entries will be accepted in the order of receipt

15 Entries will open, for each event, on the dates stated in Schedule 4 and close finally, for each event, on the dates stated in Schedule 4 or when the maximum entry plus reserves is reached if earlier.

15.1 All entries must be completed electronically via the online entry system: www.harewoodhill.com/events

15.2 Provisional entry lists will be posted on the website at appropriate times.

15.3 The Entries Secretary is Mrs Jackie Wilson, please email: entries@harewoodhill.com with any entry enquiries.

15.4 Discount/closing dates, entry fees and refunds are as stated in Schedule 4. A discount is offered to early entrants.

15.5 Entry fees will be refunded as per Schedule 4.

15.6 Entries will not be accepted after the closing date.

15.7 Reserves will be notified as places become available but at the latest by 8.00pm on the Wednesday preceding the event if they have been accepted/not accepted.

15.8 Maximum number of two drivers permitted per car, separate entries must be submitted for each driver and the shared car signified by filling in the appropriate section in the online entry system.

16 Officials:

Event Steward(s) as Final Instructions

Clerk(s) of the Course as Final Instructions

Secretary of the Meeting Mrs L Geen

Chief Scrutineer as Final Instructions

Chief Timekeeper D Clay (Speed National)

Safeguarding Officer(s) as Final Instructions

17 Provisional Results will be issued, in the Paddock Office or online, as soon as possible following the end of the event.

17.1 Full Results, for each event, will be displayed on our website: www.harewoodhill.com

18 Any protests must be lodged in accordance with Judicial Procedures in the current edition of the Motorsport UK Yearbook.

19 The starting order will be determined by Class Order.

19.1 Cars will start singly.

19.2 The starting signal will be a green light. Method of timing is electronic (Class E)

19.3 The finish line will be indicated by a line across the road.

19.4 It is strictly forbidden to make practice starts or indulge in excessive weaving on the road between the paddock and the start line. Failure to comply may result in disqualification.

19.5 The start area is a designated part of the course and all persons under 16 years of age are prohibited from this area.

19.6 A driver is under starters orders as soon as he/she is called forward to the Start Line by the Start Marshal. Any driver who is not ready to proceed within two minutes after being called forward may forfeit the run.

See our On-Line entry system

www.harewoodhill.com

19.7.1 All tyre covers must be removed prior to approaching the Start Line. The use of plastic tyre wraps is prohibited.

19.7.2 No tyre warming or spinning of wheels is allowed going to or before the Start Line. Any driver ignoring this regulation will, in the first instance, forfeit that run and be directed back to the paddock. A repeat offence at the same meeting will result in disqualification from the meeting. The Chief Start Marshal will be a Judge of Fact for this regulation.

19.8 Motorsport UK Regulation S9.5.3 requires that a car must have all four wheels on the track when crossing the finish line for its time to be allowed. For the purpose of this rule, a yellow line is painted along the left hand side of the track at the finish line, and this yellow line will be considered to be the edge of the track. Any competitor who crosses the finish line with the full width of one or more of the vehicles wheels and the tyre fully outside this line will be given a failed run. The Observer at Quarry Corner will be a Judge of Fact to observe this regulation.

19.9 Timed runs taken outside the specified batches may not be counted for the results of the meeting. The only exception is if a re-run is ordered for any reason.

20 Competitors will have the opportunity of taking at least two practice runs. Competitors are also permitted to walk the course prior to commencement of practice, they must be clear of the course by 08.30.

20.1 Practice will be taken in class order.

20.2 Competitors who do not present themselves in time for practice may forfeit that run.

21 Competitors will be identified by Competition Numbers, these numbers will be available to purchase in black or white from the Paddock Office.

21.1 When two drivers compete in the same car the No. 2 driver will be identified by a number 7, 8 or a number 9 before the No. 1 driver's Competition Number.

21.2 The extra number MUST be covered when the No. 1 driver is competing.

21.3 It will be the responsibility of drivers sharing a car to see that their car is ready, carrying the correct identification, to comply with these instructions.

21.4 Normally the No 1 drivers will run in their own class batch and the No 2 drivers will run in the prior batch.

21.5 The exception to this rule will be in the first batches of each run sequence where the No 2 drivers will run in the first feasible following batch.

22 Marking and Penalties will be as printed in the appropriate section of the Motorsport UK General Regulations.

23 All other General Regulations of Motorsport UK apply as written except where modified in these Regulations.

24 If any change is made to a car or it has been involved in an accident, after it has been passed by the Scrutineers, it must be submitted for re-scrutiny before being taken onto the course again.

25 Approved crash helmets and flame resistant overalls will be worn by all competitors at all times when driving on the course.

25.1 Competitors are required to wear flame resistant gloves at all times when driving on the course, with the exception of Road Cars where their use is recommended.

26 At the discretion of the Clerk of the Course, cars may be called for a check by the Scrutineers at any time during, or at the conclusion of the meeting.

27 The Paddock is a non competitive area and cars must be conducted at a walking pace when entering and moving about the paddock. Failure to comply may result in disqualification.

28 It is in competitors best interests to ensure any recovery after an incident is made safely and quickly. Towing point(s) of adequate strength and size are mandatory. They must be clearly identified and suitably marked using a contrasting colour and be accessible to the front and rear of the vehicle.

29 During the course of the event, including practice, competitors must notify the Clerk of Course if they wish to take their competition car out of the paddock. On their return they will be liable to re-scrutineering before they can continue the competition. Competition numbers must be completely covered or removed at all times whilst driving on the public highway.

30 GDPR—Competitors' data will be processed solely for the purposes of running events and will be handled by the organiser's in accordance with BARC's Privacy Policy which can be found at: www.barc.net/privacy

31 By participating in a Motorsport UK event, in any capacity, you are agreeing to follow the values of Motorsport UK's Respect Code which is appended to these Regulations (Appendix 1).

All Competitors, their associates, Officials and Marshals must be aware of their behaviour and conduct at all times and abusive language and harmful behaviour will not be tolerated. Any such incidents must be reported to the Championship Coordinator and/or Safeguarding Officer who will also relay the report to Motorsport UK.

Sunday 25 August 2024

Saturday 21 September 2024

Sunday 22 September 2024

Should any of the above events be postponed, the replacement event will be included as a championship round.

1.6 Scoring

1.6.1 For marking purposes cars will be divided into classes 1A to 6C inclusive as shown in Schedule 2.

1.6.2 Marking will be within classes on a Bogey Time improvement basis. Where possible the Bogey Times will be the current class record standing at the commencement of each meeting with 20 seconds added. Exceptions to this may be where technical regulations within a class/category have changed and/or the introduction of new classes/categories and/or a change in vehicles eligible for a class/category, in any of these cases the organisers reserve the right to base the Bogey Time on a calculated "Target Time" with 20 seconds added.

1.6.3 Championship marks will be gained at the rate of .01 mark for each .01 of a second by which a driver beats the Bogey Time for his/her class.

1.6.4 Any competitor who does not beat the Bogey Time will gain no marks for that meeting. A maximum of 21 marks can be gained at any meeting.

1.6.5 Marks gained in 6 of the 8 rounds will be counted for the Championship results. Should less than 8 rounds be run, the counting rounds will be as follows: 5 from 7, 5 from 6, 4 from 5, 4 from 4. If less than four rounds are run, BARC (Yorkshire) reserves the right to cancel the Championship.

1.6.6 Championship marks will only be credited where an equal number of timed runs have been offered to all competitors.

1.6.7 Only one marking per meeting can count. Where a competitor has entered more than one car at a meeting the car that is to be credited with Championship marks, must be nominated to the Secretary of the Meeting before the start of the class timed runs.

1.6.8 In the event of a tie in the final marking this will be decided in favour of the competitor who has gained the marks in the fewest number of rounds including discarded rounds. If the tie still remains it will be decided in favour of the competitor who scores the most marks in the final round.

1.6.9 Any appeal against marks scored must be made in accordance with judicial procedures in the current edition of the Motorsport UK Yearbook.

1.6.10 Marking records will be maintained by the Championship coordinator. Marks scored for each meeting will be published on the website.

Road Cars - Series Production Electric Vehicles class 0E

Cars running in class 0E must conform to the regulations for Road Cars-Series Production Electric Vehicles defined in the current Motorsport UK Technical Regulations.

Electric Vehicles will not be permitted to compete unless the Emergency Response Guide (ERG) has been provided in advance to the event organisers. Competitors are reminded of the requirement for all Electric Vehicles to have a Motorsport UK Electric Vehicle Passport. Hybrid Vehicles are not allowed in this class. No recharging will be allowed at the venue nor will any facilities to do so be provided.

Road Cars - Series Production classes 1A to 1F, 2E & 2F

Cars running in classes 1A to 1F, 2E & 2F must conform to the regulations for Road Cars-Series Production defined in the current Motorsport UK Technical Regulations.

Limited edition models produced in volumes of less than 1000 per annum will be eligible if they are based on a standard model that was produced in volumes of greater than 1000 per annum, and the differences between the car as presented at an event and the eligible standard car are permitted as modifications in these classes.

Cars must be taxed (no trade plates) and MOT'd where applicable with documents available for inspection, when requested, at Scrutineering. Proof of Road Tax may be a Vehicle Enquiry using the DVLA enquiry website (www.vehicleenquiry.service.gov.uk). Cars must remain in totally road legal form at all times.

With the exception of the bonnet and boot-lid, all bodywork must remain in the original material.

Pyrotechnic safety devices such as airbags and seatbelt pretensioners may be disconnected or removed. The steering wheel may be replaced by a non-standard item. Original equipment seatbelts may be removed if a competition harness is fitted.

Tyres: Classes 1A to 1F, 2E & 2F must use tyres from the current Motorsport UK Technical Regulations List 1A or 1B. Tyres must be in a road legal condition.

Exhaust systems must include a working catalytic converter on all cars manufactured after 31st December 1999.

Brake callipers, discs, master cylinder & pads can be modified. Carbon discs are not permitted. Modification of the brake pedal is permitted. Brake bias adjustment is allowed. The fitting of pedal assemblies is not permitted. Anti-Lock braking systems can be removed but cannot be added to a vehicle that did not have one as a manufacturer specified option.

The suspension type and mountings must remain the same as that fitted by the vehicle manufacturer. The shock absorbers may be of any make and may be updated from standard. Adjustable spring platform struts are permitted. The mounting method and position must remain as specified by the vehicle manufacturer. Springs are free but must retain their original location. Bushes may be changed for similar

polymer materials. Spherical or similar metal joints are prohibited unless they are an integral part of the suspension manufacturers unit.

Strut Braces across the top of the front suspension turrets are allowed but these must be removable and not welded in place.

Kit, Replica, Space-framed and non-ferrous chassis construction cars are not permitted in Classes 1A to 1F inclusive.

In the event of any eligibility queries, the driver of the car concerned may be asked to produce a manufacturer's catalogue to substantiate any modifications / specification.

Road Cars - Specialist Production classes 2A to 2D

Cars running in classes 2A to 2D inclusive must conform to the regulations for Road Cars-Specialist Production defined in the current Motorsport UK Technical Regulations.

Cars must be taxed (no trade plates) and MOT'd where applicable with documents available for inspection, when requested, at Scrutineering. Proof of Road Tax may be a Vehicle Enquiry using the DVLA enquiry website (www.vehicleenquiry.service.gov.uk).

Cars must remain in totally road legal form at all times.

With the exception of the bonnet and boot-lid, all bodywork must remain in the original material. The air intake filter may protrude above the silhouette of the car to a maximum of 75mm. When the filter is removed, the silhouette must remain as standard. Exhaust systems are not considered to be part of the silhouette.

Pyrotechnic safety devices such as airbags and seatbelt pretensioners may be disconnected or removed. The steering wheel may be replaced by a non-standard item. Original equipment seatbelts may be removed if a competition harness is fitted.

The only permitted tyres within these classes are defined in the current Motorsport UK Technical Regulations List 1A or List 1B. Tyres must be in a road legal condition.

Exhaust systems must include a working catalytic converter on all cars manufactured after 31st December 1999, except where a vehicle does not require one in accordance with government legislation.

All cars must have an operational reverse gear.

Modified Cars classes 3A to 3G

Cars running in classes 3A to 3G inclusive must conform to the regulations for Modified Cars-Series Production and Modified Cars-Specialist Production defined in the current Motorsport UK Technical Regulations.

Sports Libre Cars classes 4A & 4B

Cars running in classes 4A and 4B must conform to the regulations for Sports Libre Cars defined in the current Motorsport UK Technical Regulations.

Cars running in classes 5A to 5E inclusive must conform to the regulations for Racing Cars defined in the current Motorsport UK Technical Regulations.

Formula Ford 1600 Racing Cars pre 1994 class 5B

Vehicles in class 5B must comply with Formula Ford 1600 Regulations. Cars must have been manufactured prior to 1st January 1994 to be eligible for this class.

For all cars running in class 5B only the following tyres are permitted: Avon ACB10 – Front tyres marked “Formula Ford” with the code 7317– rear tyres marked “Formula Ford” with the code 7319, or Avon ACB9— Front tyres marked “FF” with the code 7267, rear tyres marked “FF” with the code 7290.

Classic Cars class 6A

Bodywork - The original silhouette is to be retained from all angles, although aeroscreens are allowed and side windows may be removed on open cars. Original working headlights must be fitted.

Engine - Original engine type to be retained, internals are free. The original type of induction, available from the factory for that model, must be used. (e.g. Carburettors, although a different design may be used e.g. Webers instead of SU's). 'Original engine type (head and block)' means the same engine that was available from the factory in that body shape in period.

Tyres - Cars must run on Motorsport UK List 1A/1B/1C treaded tyres with a minimum profile of 55 or Dunlop Historic L or M or Goodyear Bluestreaks.

Classic Sports Racing & Racing Cars classes 6B & 6C

To be eligible for class 6B (Sports Racing and Racing Cars up to 1971 inclusive), vehicles of monocoque construction and those with rear wings will be allowed provided they were standard on the car at the appropriate date. The use of slick tyres is prohibited. The type, size and tread of tyre must remain the same throughout the meeting. Post 1945 cars must run on treaded tyres which may be road tyres complying with the Motor Vehicles (Construction and Use) Regulations, or racing tyres as long as the latter have grooves in the tread pattern which must be lateral and circumferential and any 40mm diameter areas of the tyre must have grooves in at least 2 different directions, which themselves must have a minimum width of 3mm.

GENERAL CONDITIONS OF ELIGIBILITY

In all classes the capacity of a car will be the actual measured capacity except for cars with forced induction, where a factor of 1.4 will be applied.

All vehicles must be fitted with Timing Struts as laid down in the Motorsport UK Regulations. Competitors are reminded that under Motorsport UK Regulations, Timekeepers are forbidden to record a time for any car not fitted with a Timing Strut.

Each car may only be entered in its own correct category and capacity class.

Any vehicle that persistently backfires may be disqualified from the meeting.

SCRUTINEERING

Scrutineering will be divided into two sections. In addition to the normal examination for race worthiness, there will be separate random examinations for eligibility, these may take place during and after timed runs. When a new class record is set, a routine eligibility scrutineering of the vehicle concerned will be activated.

WARNING

The questions in the online entry system with regard to capacity, etc must be answered accurately. Any false statements discovered at scrutineering, or subsequently, will result in the disqualification of the competitor from the event concerned, and possibly, from subsequent events promoted by the Club.
